(57) **CLAIM**

The ornamental design for a pendent lighting sconce, as shown and described.

**DESCRIPTION**

FIG. 1 is a front lower perspective view of a pendent lighting sconce showing our new design.

FIG. 2 is a rear upper perspective view of a pendent lighting sconce showing our new design.

FIG. 3 is a front lower perspective exploded view of a pendent lighting sconce showing our new design.

FIG. 4 is a rear upper perspective exploded view of a pendent lighting sconce showing our new design.

FIG. 5 is a front elevational view of a pendent lighting sconce showing our new design.

FIG. 6 is a right elevational view of a pendent lighting sconce showing our new design.

FIG. 7 is a back elevational view of a pendent lighting sconce showing our new design.

FIG. 8 is a left elevational view of a pendent lighting sconce showing our new design.

FIG. 9 is a top plan view of a pendent lighting sconce showing our new design; and,

FIG. 10 is a bottom plan view of a pendent lighting sconce showing our new design.

The portions shown broken away in the drawings depict symbolic breaks in the suspension rod. The appearance of any portion of the article between the symbolic breaks forms no part of the claimed design.
