(57) **CLAIM**

The ornamental design for a telehandler, as shown and described.

**DESCRIPTION**

FIG. 1 is a top, front, and right-side isometric view of a telehandler showing the new design.

FIG. 2 is a top plan view of the telehandler.

FIG. 3 is a front elevation view of the telehandler.

FIG. 4 is a right-side elevation view of the telehandler.

FIG. 5 is a left-side elevation view of the telehandler.

FIG. 6 is a rear elevation view of the telehandler; and,

FIG. 7 is a bottom plan view of the telehandler.

The broken lines depict portions of the telehandler that form no part of the claimed design.
