CLAIM

The ornamental design for a pearl chain bag, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a pearl chain bag showing our new design;

FIG. 2 is a front elevational view thereof; and,

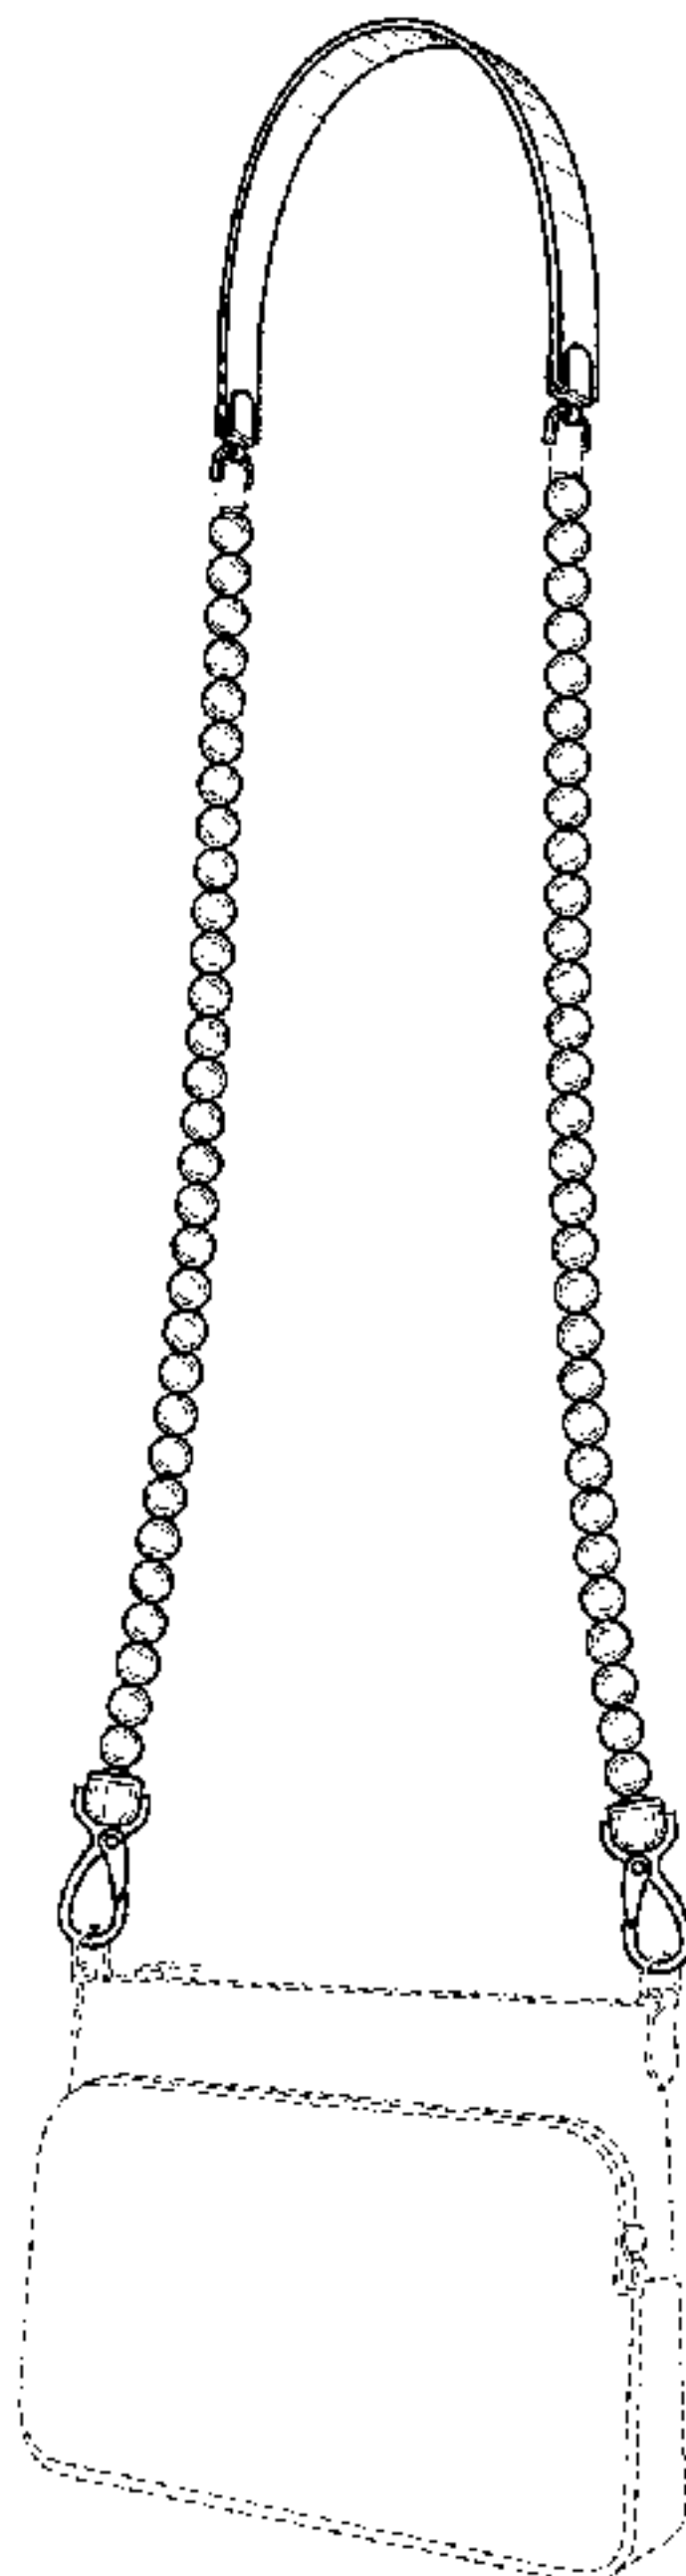

FIG. 3 is a left side elevational view thereof.

A rear elevational view is omitted since the rear elevational view is identical to the front elevational view.

A right side elevational view is omitted since the right side view is a mirror image of the left side elevational view.

The broken lines depict portions of the pearl chain bag in which the design is embodied that form no part of the claimed design.
