(57) **CLAIM**

The ornamental design for a housing for electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a left side perspective view of the housing for electronic device showing a first embodiment of our new design, the right side being a mirror image thereof.

FIG. 2 is a back view thereof.

FIG. 3 is a top view thereof.

FIG. 4 is a top view of a second embodiment, the only difference being the shape of the vent, it being understood that all other surfaces are the same as those of the first embodiment.

FIG. 5 is a top view of a third embodiment, the only difference being the shape of the vent, it being understood that all other surfaces are the same as those of the first embodiment.

FIG. 6 is an enlarged perspective view of a front handle, shown for clarity.

FIG. 7 is a left side view thereof; and, FIG. 8 is a right side view thereof.

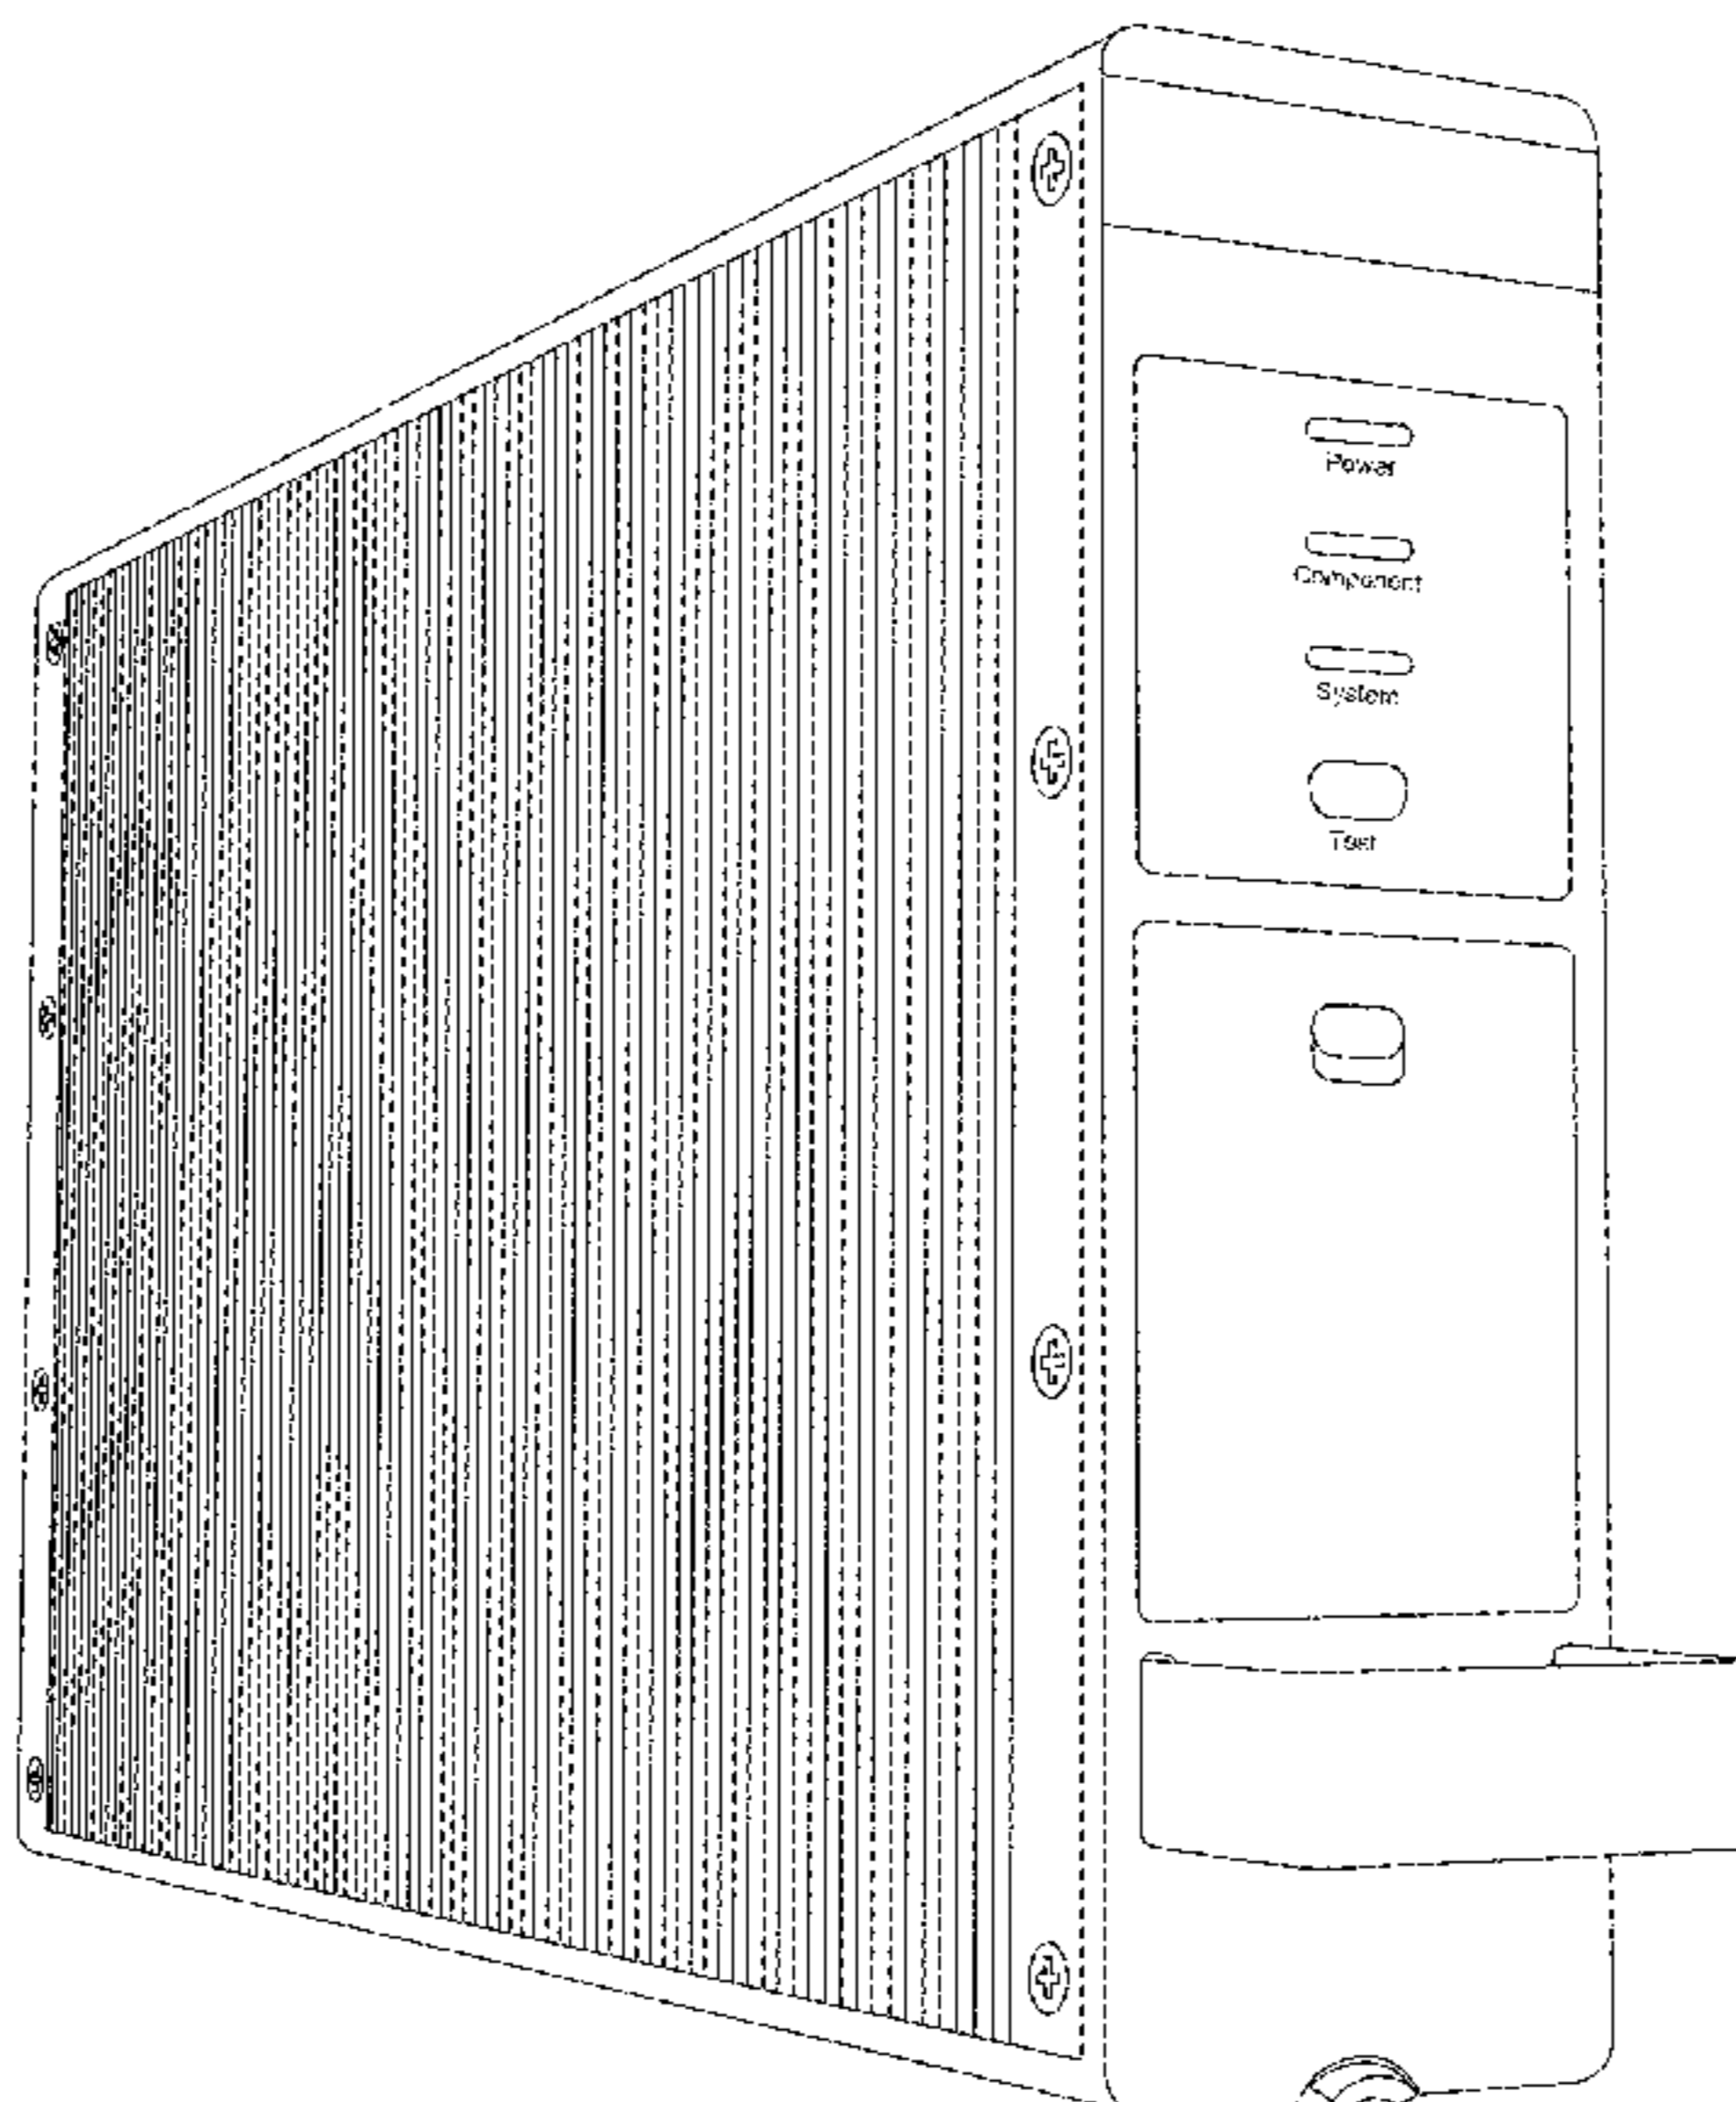

The broken lines illustrate portions of the housing for electronic device and form no part of the claimed design.
