(57) **CLAIM**

The ornamental design for a pillowcase, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a first embodiment of a pillowcase showing my new design as it would appear when encasing a pillow;

FIG. 2 is a front elevational view thereof;

FIG. 3 is a rear elevational view thereof;

FIG. 4 is a top elevational view thereof;

FIG. 5 is a bottom elevational view thereof;

FIG. 6 is a left side elevational view thereof;

FIG. 7 is a right side elevational view thereof;

FIG. 8 is an isometric view of a second embodiment of my pillowcase design;

FIG. 9 is a front elevational view of FIG. 8;

FIG. 10 is a rear elevational view of FIG. 8;

FIG. 11 is a top elevational view of FIG. 8;

FIG. 12 is a bottom elevational view of FIG. 8;

FIG. 13 is a left side elevational view of FIG. 8;

FIG. 14 is a right side elevational view of FIG. 8;

FIG. 15 is an isometric view of a third embodiment of my pillowcase design;

FIG. 16 is a front elevational view of FIG. 15;

FIG. 17 is a rear elevational view of FIG. 15;

FIG. 18 is a top elevational view of FIG. 15;

FIG. 19 is a bottom elevational view of FIG. 15;

FIG. 20 is a left side elevational view of FIG. 15;

FIG. 21 is a right side elevational view of FIG. 15;

FIG. 22 is an isometric view of a fourth embodiment of my pillowcase design;

FIG. 23 is a front elevational view of FIG. 22;

FIG. 24 is a rear elevational view of FIG. 22;

FIG. 25 is a top elevational view of FIG. 22;

FIG. 26 is a bottom elevational view of FIG. 22;

FIG. 27 is a left side elevational view of FIG. 22; and,

FIG. 28 is a right side elevational view of FIG. 22.

In the figures, two types of broken lines are used. Uneven broken lines illustrate unclaimed subject matter and form no part of the claimed design. Even broken lines extending from the edge into the body of the pillowcase indicate stitching that is part of the claimed design.

Surface line shading between the claimed stitching lines is shown for the purpose of illustrating contour on the claimed subject matter between the stitching lines, and does not represent any particular color, material, texture, or finish. Regions of the pillowcase surface outside of the claimed stitching lines are for environmental purposes only and form no part of the claimed design.

References to “front”, “rear”, “side”, “top”, and “bottom” in the figure descriptions are not meant to require certain in-use orientation; a pillowcase according to the claimed design may be used in any orientation.
