(57) **CLAIM**

The ornamental design for food service article with utensil combination feature, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a food service article with utensil combination feature showing our new design; FIG. 2 is a top view of the food service article with utensil combination feature of FIG. 1; and, FIG. 3 is a bottom view of the food service article with utensil combination feature of FIG. 1. The lighter broken line showings of the food service article within each of the figures are for the purpose of illustrating portions of the food service article and form no part of the claimed design. The heavier broken lines, which define the bounds of the claimed design, also form no part of the claimed design.
