(57) **CLAIM**

The ornamental design for a support frame for inflatable bladder, as shown and described.

DESCRIPTION

FIG. 1 is a perspective back view of the support frame for inflatable bladder of the present invention;
FIG. 2 is a perspective front view of the support frame for inflatable bladder of the present invention;
FIG. 3 is an elevational top view of the support frame for inflatable bladder of the present invention;
FIG. 4 is an elevational bottom view of the support frame for inflatable bladder of the present invention;
FIG. 5 is an elevational back view of the support frame for inflatable bladder of the present invention;
FIG. 6 is an elevational front view of the support frame for inflatable bladder of the present invention;
FIG. 7 is an elevational left view of the support frame for inflatable bladder of the present invention; and,
FIG. 8 is an elevational right view of the support frame for inflatable bladder of the present invention.
