(57) **CLAIM**

The ornamental design for a steering part for a shipping container carrier, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

1.1 is a perspective view of a steering part for a shipping container carrier, showing our new design;

1.2 is a front elevation view thereof;

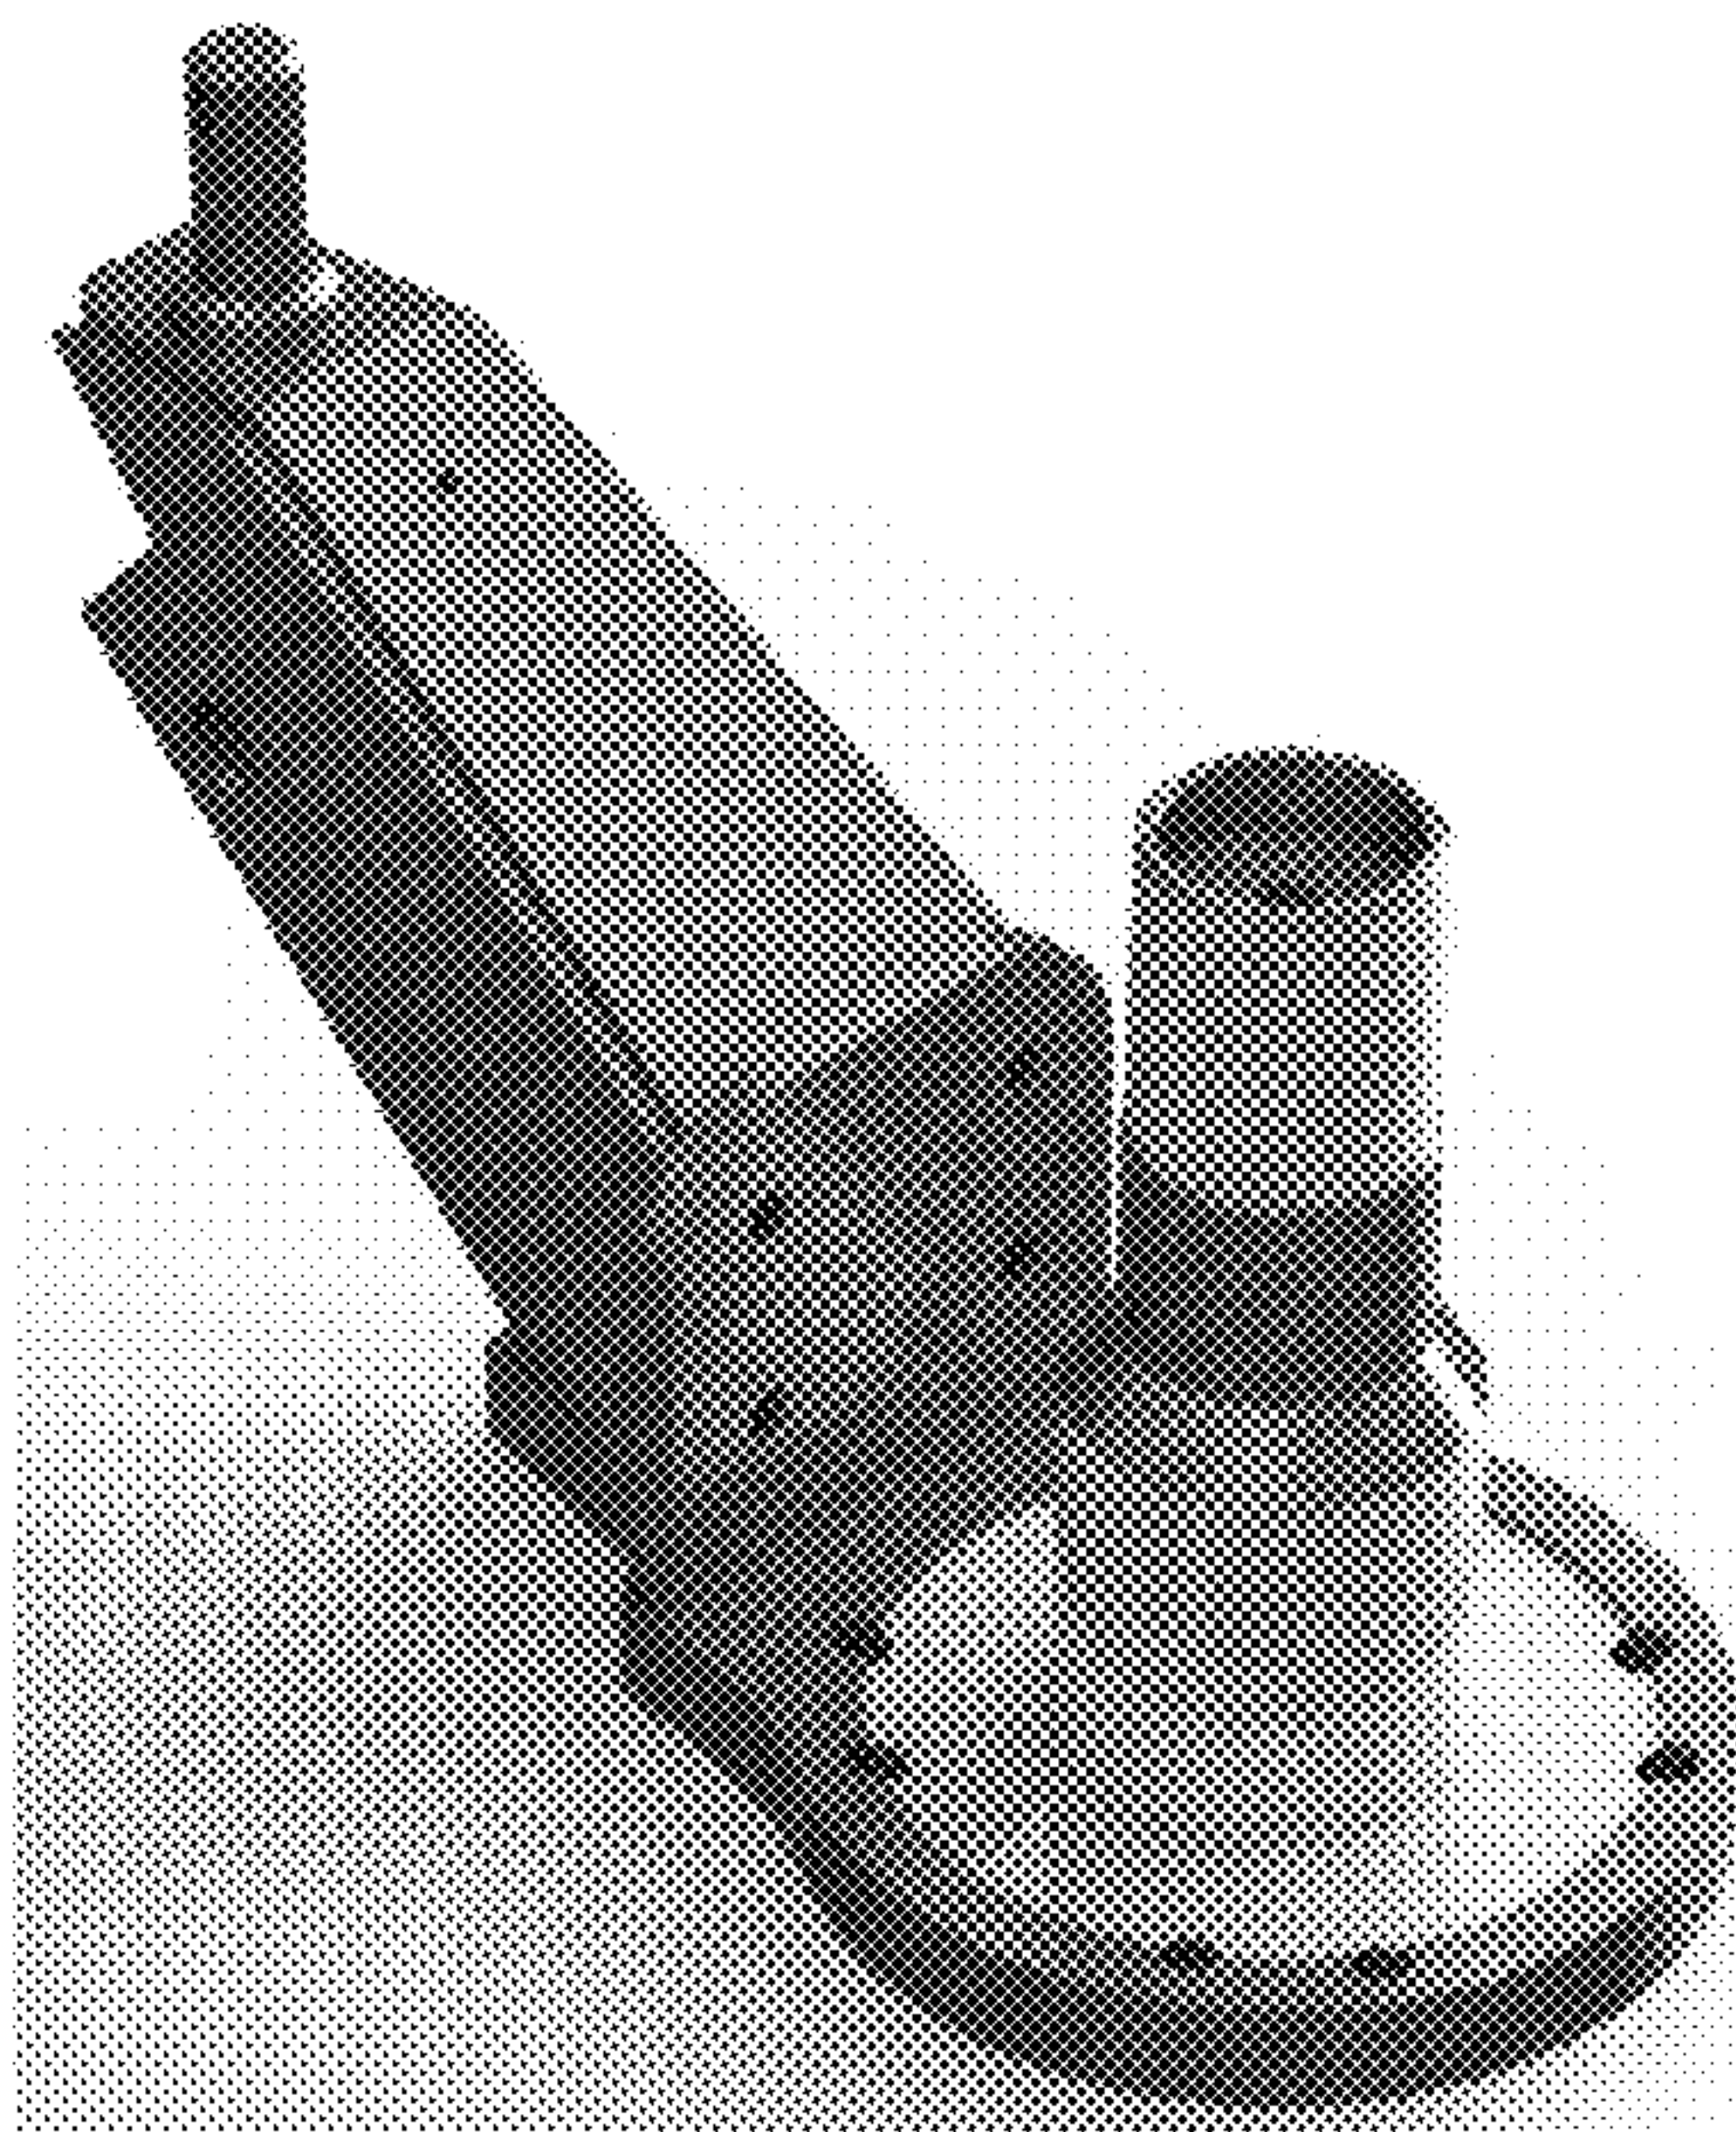

1.3 is a back elevation view thereof;

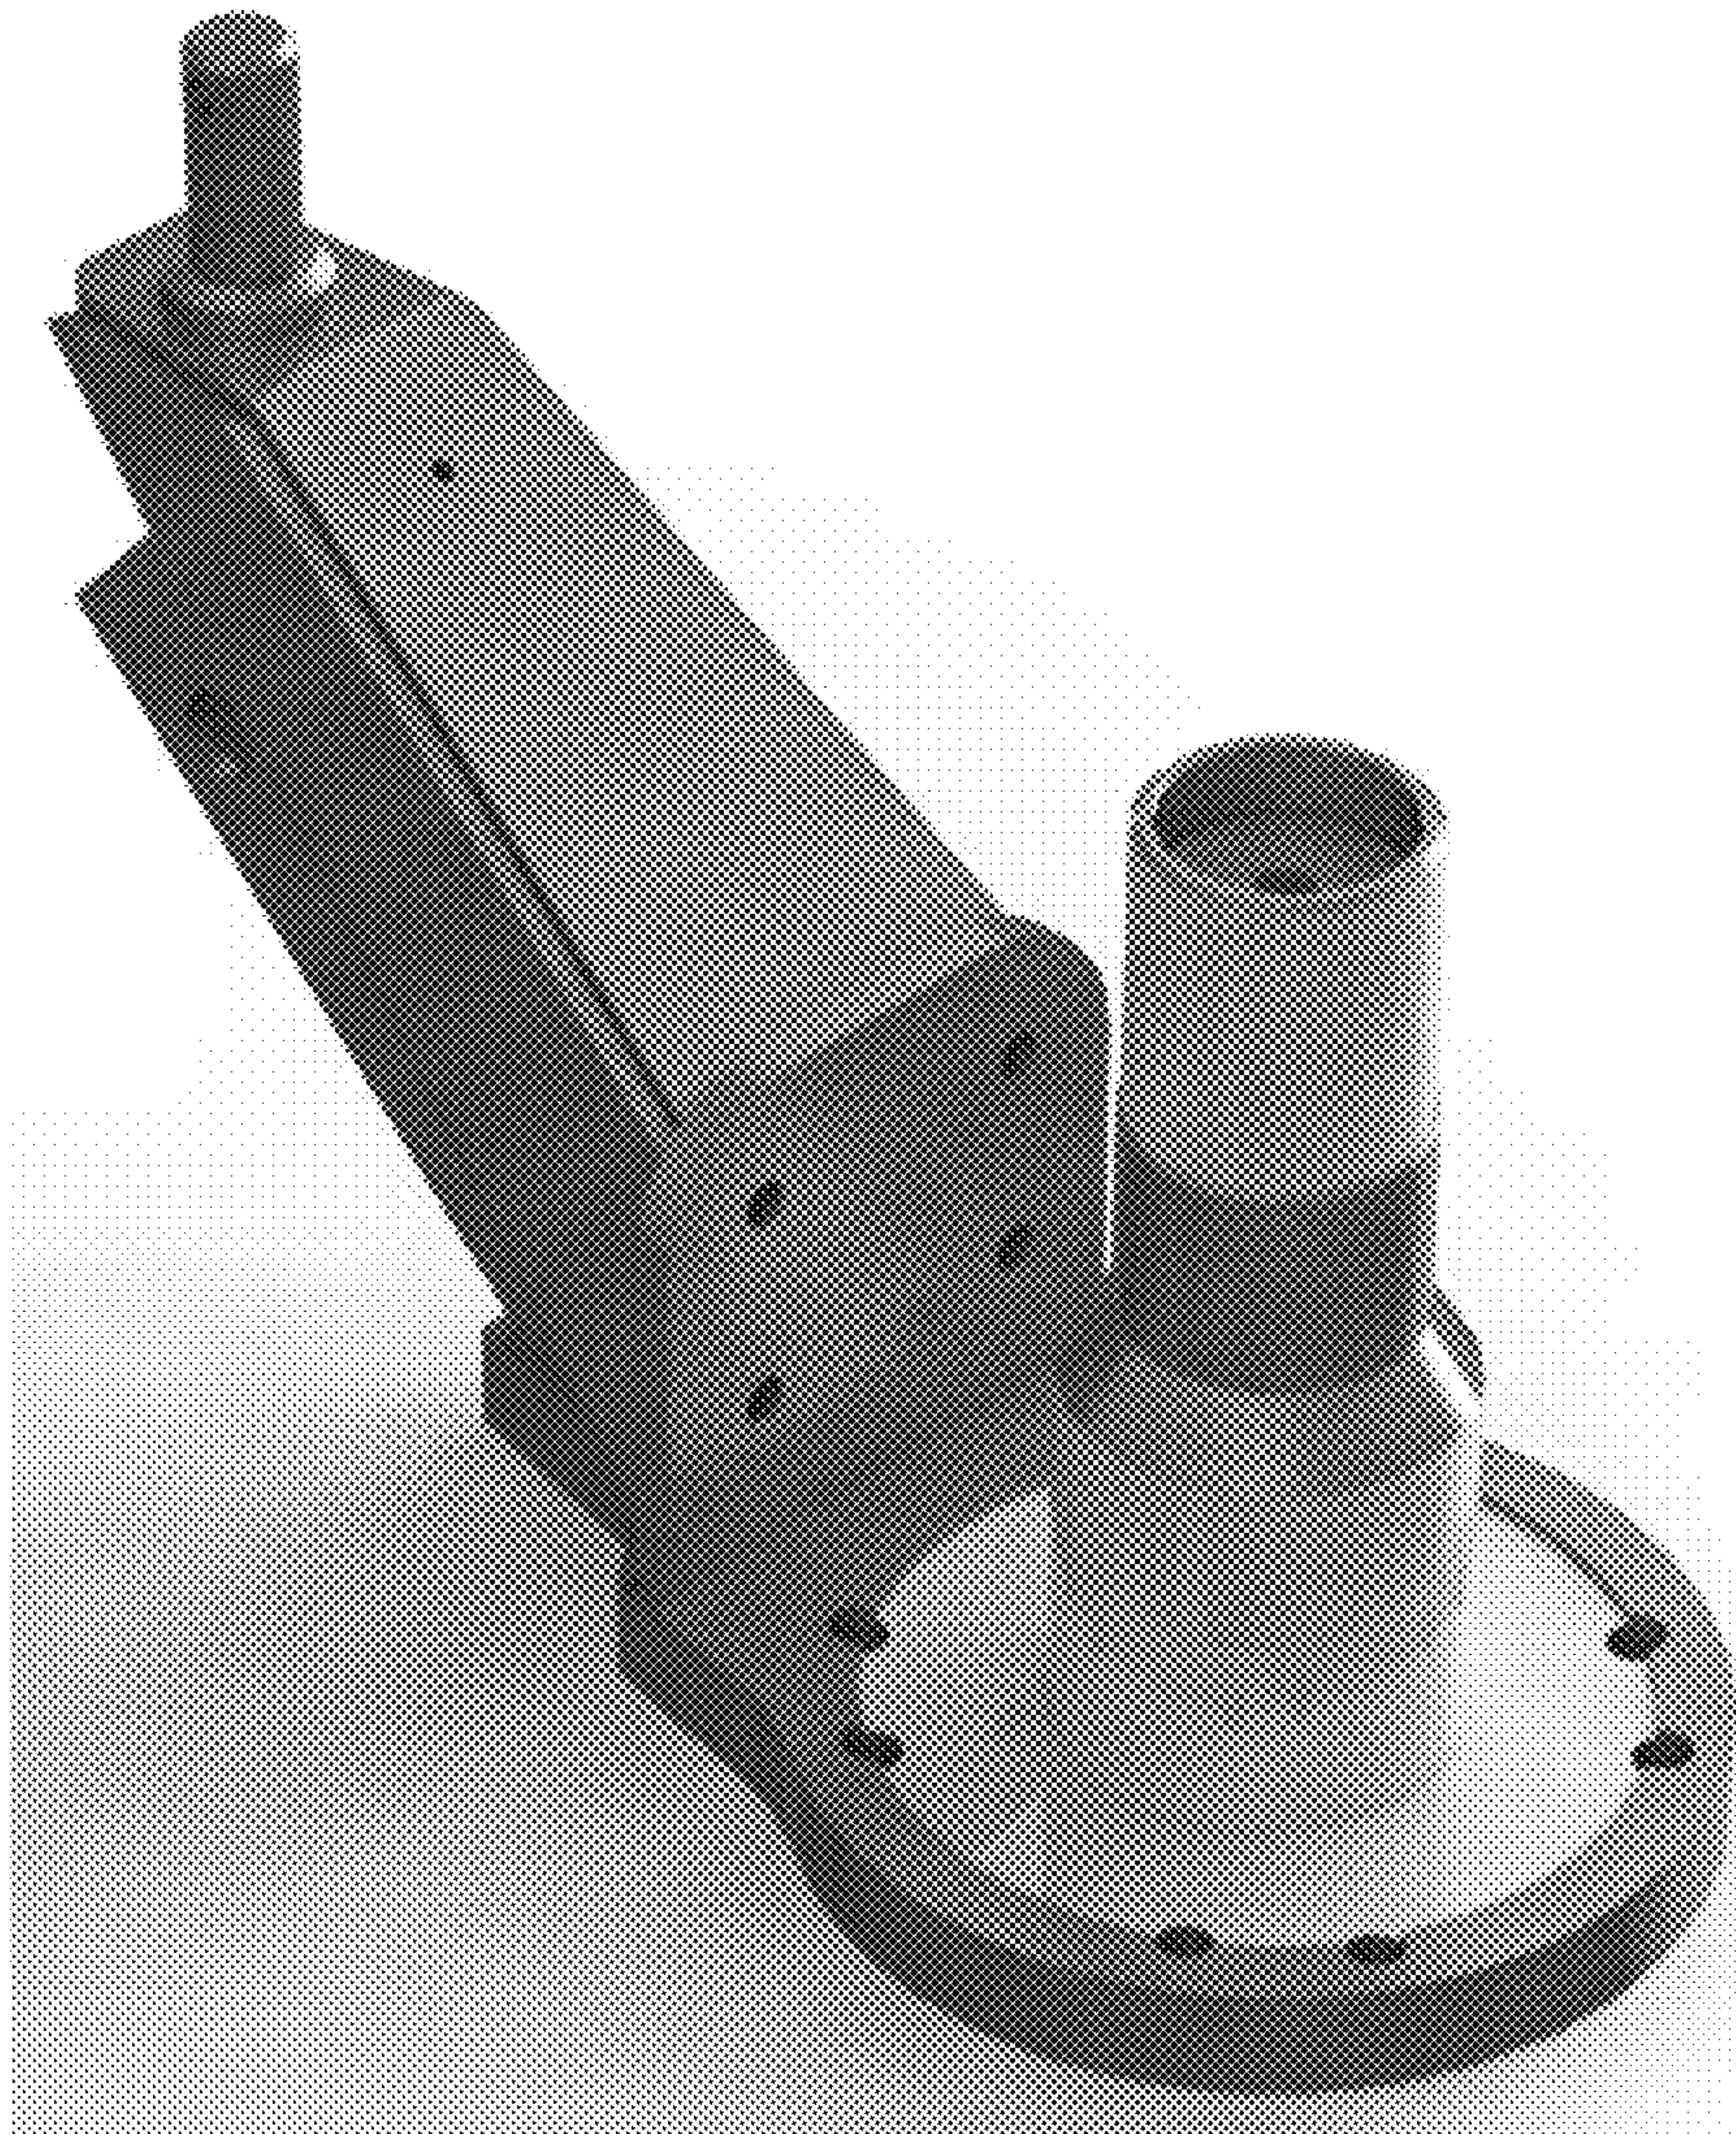

1.4 is a right elevation view thereof;

1.5 is a left elevation view thereof; and

1.6 is a top plan view thereof.
