(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is a front view of a display screen with graphical user interface showing our new design. The broken lines of uneven length illustrate the display screen and form no part of the claimed design. The broken lines of even length illustrate portions of the graphical user interface and form no part of the claimed design.

1 Claim, 1 Drawing Sheet
