(57) **CLAIM**

We claim the ornamental design for an electrode array, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of an electrode array showing the new design.

FIG. 2 is a top view of the electrode array showing the new design.

FIG. 3 is a bottom view of the electrode array showing the new design.

FIG. 4 is a left side view of the electrode array showing the new design.

FIG. 5 is a right side view of the electrode array showing the new design.

FIG. 6 is a front view of the electrode array showing the new design; and,

FIG. 7 is a rear view of the electrode array showing the new design.

The broken lines show portions of the electrode array that form no part of the claimed design.

1 Claim, 4 Drawing Sheets
