(57) **CLAIM**

The ornamental design for a water control device for a shower, as shown and described.

DESCRIPTION

FIG. **1** is a perspective view of a water control device for a shower according to our new design;
FIG. **2** is a front view of the water control device for a shower of FIG. **1**;
FIG. **3** is a rear view of the water control device for a shower of FIG. **1**;
FIG. **4** is a left side view of the water control device for a shower of FIG. **1**;
FIG. **5** is a right side view of the water control device for a shower of FIG. **1**;
FIG. **6** is a lower end view of the water control device for a shower of FIG. **1**; and,
FIG. **7** is an upper end view of the water control device for a shower of FIG. **1**.
The broken lines shown in FIGS. **1-7** illustrate portions of the water control device for a shower that form no part of the claimed design.
