4,625,998 A 12/1986 Draudt et al.

FIG. 1 is a front perspective view of a universal connector showing the new design;
FIG. 2 is a front elevational view of the universal connector;
FIG. 3 is a back elevational view of the universal connector;
FIG. 4 is a top plan view of the universal connector;
FIG. 5 is a bottom plan view of the universal connector;
FIG. 6 is a right side elevational view of the universal connector; and,
FIG. 7 is a left side elevational view of the universal connector.

The dashed broken lines in the drawings depict portions of the universal connector that form no part of the claim. The dash-dot broken lines define the boundaries of the claim that form no part of the claim.

1 Claim, 3 Drawing Sheets
