(57) **CLAIM**

The ornamental design for a hygiene product packaging including ornament, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawings will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a top front right perspective view of a hygiene product packaging including ornament, in accordance with one embodiment of the present invention.

FIG. 2 is a front view thereof.

FIG. 3 is a top front right perspective view of a hygiene product packaging including ornament, in accordance with another embodiment of the present invention.

FIG. 4 is a front view thereof.

FIG. 5 is a top front right perspective view of a hygiene product packaging including ornament, in accordance with another embodiment of the present invention; and,

FIG. 6 is a front view thereof.

As set forth above, the broken lines in the figures are shown for the purpose of illustrating boundaries of the claimed design or environmental features, and thereby form no part of the claimed design. It will further be understood that no part of the claimed design is visible in side views, rear views, or top and bottom views of the packaging, so these views have thus been omitted from the set above.
