(57) **CLAIM**

I claim the ornamental design for a foundation vent, as shown as described.

**DESCRIPTION**

FIG. 1 is a top perspective view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 2 is a top perspective view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 3 is a bottom perspective view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 4 is a rear side view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 5 is a front side perspective view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 6 is a left side view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 7 is a right side view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 8 is a top side view of the foundation vent; FIG. 9 is a bottom side view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 10 is a top perspective view of the foundation vent with portions in dotted lines forming no portion of the claimed design and depicting the location of the cutaway depicted in FIG. 11;

FIG. 11 is a top perspective view of the foundation vent with portions in dotted lines forming no portion of the claimed design and depicting the cutaway of FIG. 10;

FIG. 12 is a top perspective view of the foundation vent with portions in dotted lines forming no portion of the claimed design and depicting the location of the cutaway depicted in FIG. 13;

(Continued)

FIG. 13 is a top perspective view of the foundation vent with portions in dotted lines forming no portion of the claimed design and depicting the cutaway of FIG. 12;

FIG. 14 is an exploded view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 15 is an exploded view of the foundation vent with portions in dotted lines forming no portion of the claimed design;

FIG. 16 is an exploded view of the foundation vent with portions in dotted lines forming no portion of the claimed design; and,

FIG. 17 is an exploded side view of portions of the foundation vent.
