(57) **CLAIM**

The ornamental design for a mitten, as shown and described.

DESCRIPTION

FIG. 1 is a right side view of a mitten according to the present design.
FIG. 2 is a right front perspective view of the mitten.
FIG. 3 is a right front perspective view of the mitten with a can inserted; and,
FIG. 4 is a front view of the mitten with the thumb extended. The broken line showing of a can depicts environmental structure and forms no part of the claimed design.
