(57) **CLAIM**

The ornamental design for a power supply socket, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a power supply socket showing a first embodiment of my new design;
FIG. 2 is a front top right perspective side view thereof;
FIG. 3 is a front view of a power supply socket showing a second embodiment of my new design; and,
FIG. 4 is a front top right perspective side view thereof.
In the drawings, the evenly spaced broken lines are for the purpose of illustrating portions of the power supply socket that form no part of the claimed design. The dash-dot broken lines are for the purpose of showing the boundaries of the claim that form no part of the claimed design.

1 Claim, 2 Drawing Sheets
