(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

**DESCRIPTION**

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The broken lines in the FIGURE show portions of the graphical user interface which form no part of the claimed design.

The outermost broken line showing of the display screen and the broken line showing of portions of the graphical user interface are for the purpose of illustrating portions of the article and form no part of the claimed design.

The stippled shading represents a contrast in appearance.
