DESCRIPTION

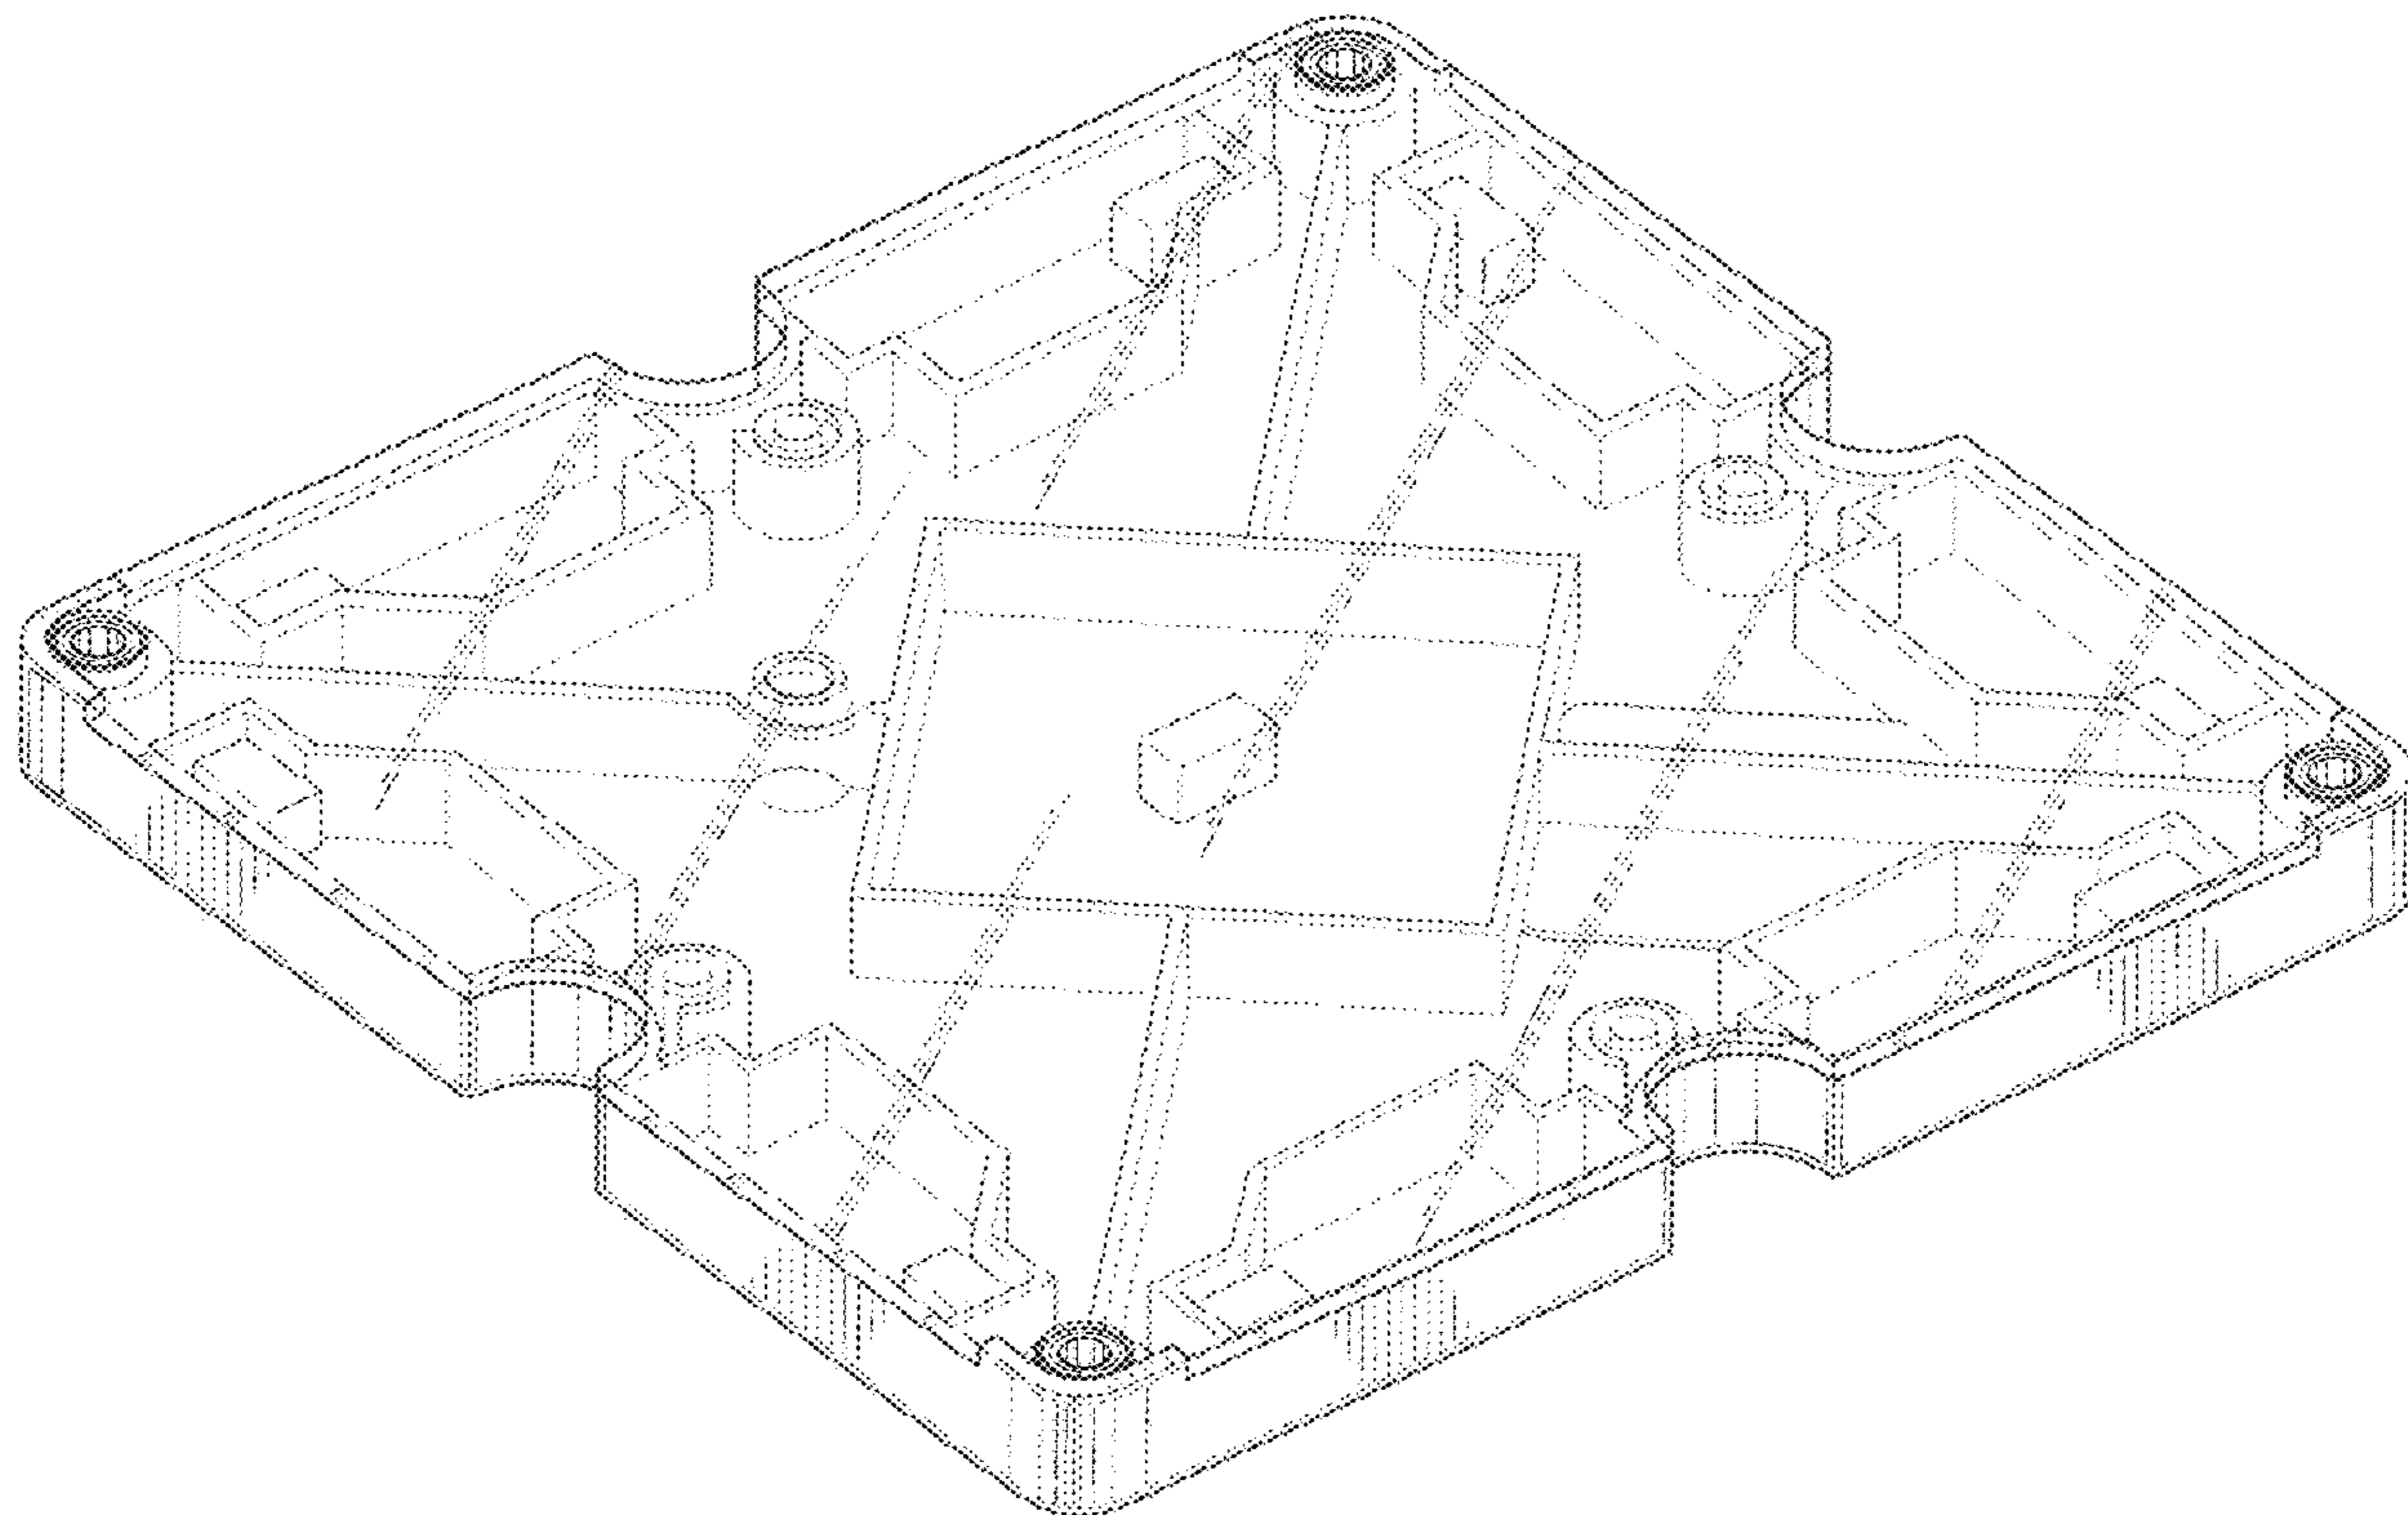

FIG. 1 is a top perspective view of the magnetic building tile according to the invention;
FIG. 2 is a bottom perspective view of the magnetic building tile according to the invention;
FIG. 3 is a left view of the magnetic building tile according to the invention;
FIG. 4 is a right view of the magnetic building tile according to the invention;
FIG. 5 is a top view of the magnetic building tile according to the invention; and,
FIG. 6 is a bottom view of the magnetic building tile according to the invention.
