(57) **CLAIM**

The ornamental design for a sheet material with camouflage pattern, as shown and described.

DESCRIPTION

The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a top plan view of a sheet material with a camouflage pattern, showing our new design;

FIG. 2 is a reference view thereof with broken lines shown therein to indicate the area comprising a detail view;

FIG. 3 is an enlarged detailed view of the area 3 circumscribed within FIG. 2; and,

FIG. 4 is an alternate embodiment of the sheet material with a camouflage pattern.

The broken lines surrounding the sheet material with camouflage pattern represent unclaimed boundaries. The broken lines within the boundaries of FIG. 2 and surrounding FIG. 3 indicate the area of the detail view and form no part of the claimed design.
