(57) **CLAIM**

The ornamental design for a collar for a jacket convertible into a neck pillow, as shown and described.

FIG. 1 is front view of a collar for a jacket convertible into a neck pillow with the collar in a laid down configuration; FIG. 2 is back view thereof; FIG. 3 is a front view of a collar for a jacket convertible into a neck pillow with the collar in a stretched configuration; FIG. 4 is a back view thereof; FIG. 5 is a front view of a collar for a jacket convertible into a neck pillow with the collar in a partially unzipped configuration; FIG. 6 is a front view of a collar for a jacket convertible into a neck pillow with the collar in an unzipped and inverted configuration; FIG. 7 is a front view of a collar for a jacket convertible into a neck pillow with the jacket partially stuffed into the inverted collar; FIG. 8 is a front view of a collar for a jacket convertible into a neck pillow with the jacket fully stuffed into the inverted collar in a neck pillow configuration; FIG. 9 is a perspective view thereof; FIG. 10 is a front elevational view of a collar for a jacket convertible into a neck pillow collar; FIG. 11 is a rear elevational view thereof; FIG. 12 is right side elevational view thereof; FIG. 13 is a left side elevational view thereof; FIG. 14 is top plan view thereof; FIG. 15 is a bottom plan view thereof; and, FIG. 16 is perspective view of a collar for a jacket convertible into a neck pillow with the collar in a partially unzipped configuration.

The dashed broken lines in the drawings are included for the purpose of illustrating environmental structure and form no part of the claimed design. The dot-dot-dash broken lines are for the purpose of depicting the bounds of the claimed portion of the design and form no part of the claimed design.
