FIG. 1 is a front view of an electronic device with graphical user interface showing the claimed design; and, FIG. 2 shows an environmental electronic device to which the design of FIG. 1 may be applied.

The outermost broken lines in the figures show an electronic device having a display screen, and form no part of the claimed design. The other broken lines in the figures show portions of the graphical user interface that form no part of the claimed design.

The broken lines in FIG. 2 show environment, which forms no part of the claimed design.
