The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of an electronic device with graphical user interface, showing the claimed design; and, FIG. 2 is a front view of another electronic device with graphical user interface, showing the claimed design.

The outer dashed broken lines in the figures show an electronic device having a display screen or portion thereof, or another electronic device having a display screen, and form no part of the claimed design.

The dot-dash broken lines in the figures and the areas within the dot-dash broken lines under the semi-transparent white
