(57) **CLAIM**

We claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a display screen or portion thereof with graphical user interface showing our new design.

The outermost pair of broken lines illustrate the display screen or portion thereof and form no part of the claimed design.

The remaining broken lines in the figures depict portions of the graphical user interface which form no part of the claimed design.
