USPC D14/485-495

(Continued)

The file of this patent contains at least one drawing/photograph executed in color. Copies of this patent with color drawing(s)/photograph(s) will be provided by the Office upon request and payment of the necessary fee.

The sole FIGURE is a display screen or portion thereof with a graphical user interface showing our new design.

The peripheral dashed broken lines illustrate a display screen or portion thereof, and form no part of the claimed design. The dashed broken lines within the peripheral dashed broken lines illustrate portions of the graphical user interface which form no part of the claimed design.
