(57) **CLAIM**

I claim the ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with graphical user interface showing my new design according to a first embodiment; and, FIG. 2 is a front view of a display screen or portion thereof with graphical user interface showing my new design according to a second embodiment. The outer broken lines in the figures depict the display screen or portion thereof and form no part of the claimed design. The remaining broken lines in the figure depict portions of the transitional graphical user interface that form no part of the claimed design.
