CLAIM

The ornamental design for a button and light ring of a portable blender, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a button and light ring of a portable blender showing the new design;

FIG. 2 is a left-side view thereof, the right-side view being a mirror image;

FIG. 3 is a front-left perspective view thereof; and,

FIG. 4 is a front-left perspective view thereof showing the button and light ring of a portable blender disposed within a portable blender.

A rear of the button and light ring of a portable blender is not shown in the figures and forms no part of the claimed design. The portions shown in broken lines form no part of the claimed design.
