(57) **CLAIM**

The ornamental design for a handle grip, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a handle grip showing my new design, the rear elevation view, left side elevation view, and right side elevation view all being identical thereto; FIG. 2 is a bottom plan view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a top, front perspective view thereof, the top, rear perspective view, top, right perspective view, and top, left perspective view all being identical thereto; FIG. 5 is a bottom, front perspective view thereof, the bottom, rear perspective view, bottom, right perspective view, and bottom, left perspective view all being identical thereto; FIG. 6 is a top, front, left perspective view thereof; and, FIG. 7 is a bottom, rear, right perspective view thereof. The evenly dashed broken line showing is for the purpose of illustrating portions of the handle grip and forms no part of the claimed design. Contour lines are shown using long-short-short broken lines

1 Claim, 7 Drawing Sheets
