(57) **CLAIM**

The ornamental design for a handle grip, as shown and described.

DESCRIPTION

FIG. 1 is a front elevation view of a handle grip showing my new design, the rear elevation view being identical thereto; FIG. 2 is a left side elevation view thereof, the right side elevation view being identical thereto; FIG. 3 is a bottom plan view thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a top, front right perspective view thereof, the top, rear left perspective view being identical thereto; FIG. 6 is a bottom, front, right perspective view thereof, the bottom, rear, left perspective view being identical thereto; FIG. 7 is a top, front, left perspective view thereof, the top, rear, right perspective view being identical thereto; and, FIG. 8 is a bottom, front, right perspective view thereof, the bottom, rear, left perspective view being identical thereto. The evenly dashed broken line showing is for the purpose of illustrating portions of the handle grip and forms no part of the claimed design. Contour lines are shown using long-short-short broken lines

1 Claim, 8 Drawing Sheets
