The patent or application file contains at least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee.

FIG. 1 is a front view of a mobile phone or portion thereof with graphical user interface, showing a first embodiment of our new design.

FIG. 2 is a front view of a mobile phone or portion thereof with graphical user interface, showing a second embodiment of our new design; and,

FIG. 3 is a front view of a mobile phone or portion thereof with graphical user interface, showing a third embodiment of our new design.

The outermost broken lines illustrate a mobile phone or portion thereof and form no part of the claimed design. The remaining broken lines illustrate portions of the graphical user interface and form no part of the claimed design.
