Primary Examiner — Richard E Chilcot

(57) **CLAIM**
The ornamental design for a dust controller device, as shown and described.

DESCRIPTION

Dust controller device
1.1 : Top view of the dust controller device according to the present invention.
1.2 : Bottom view of the dust controller device according to the present invention.
1.3 : Left view of the dust controller device according to the present invention.
1.4 : Perspective view of the dust controller device according to the present invention.
1.5 : View from the front of the top view of the dust controller device according to the present invention.
1.6 : Left view of the dust controller device according to the present invention.
1.7 : Top view of the dust controller device according to the present invention.

1 Claim, 7 Drawing Sheets
