(57) **CLAIM**

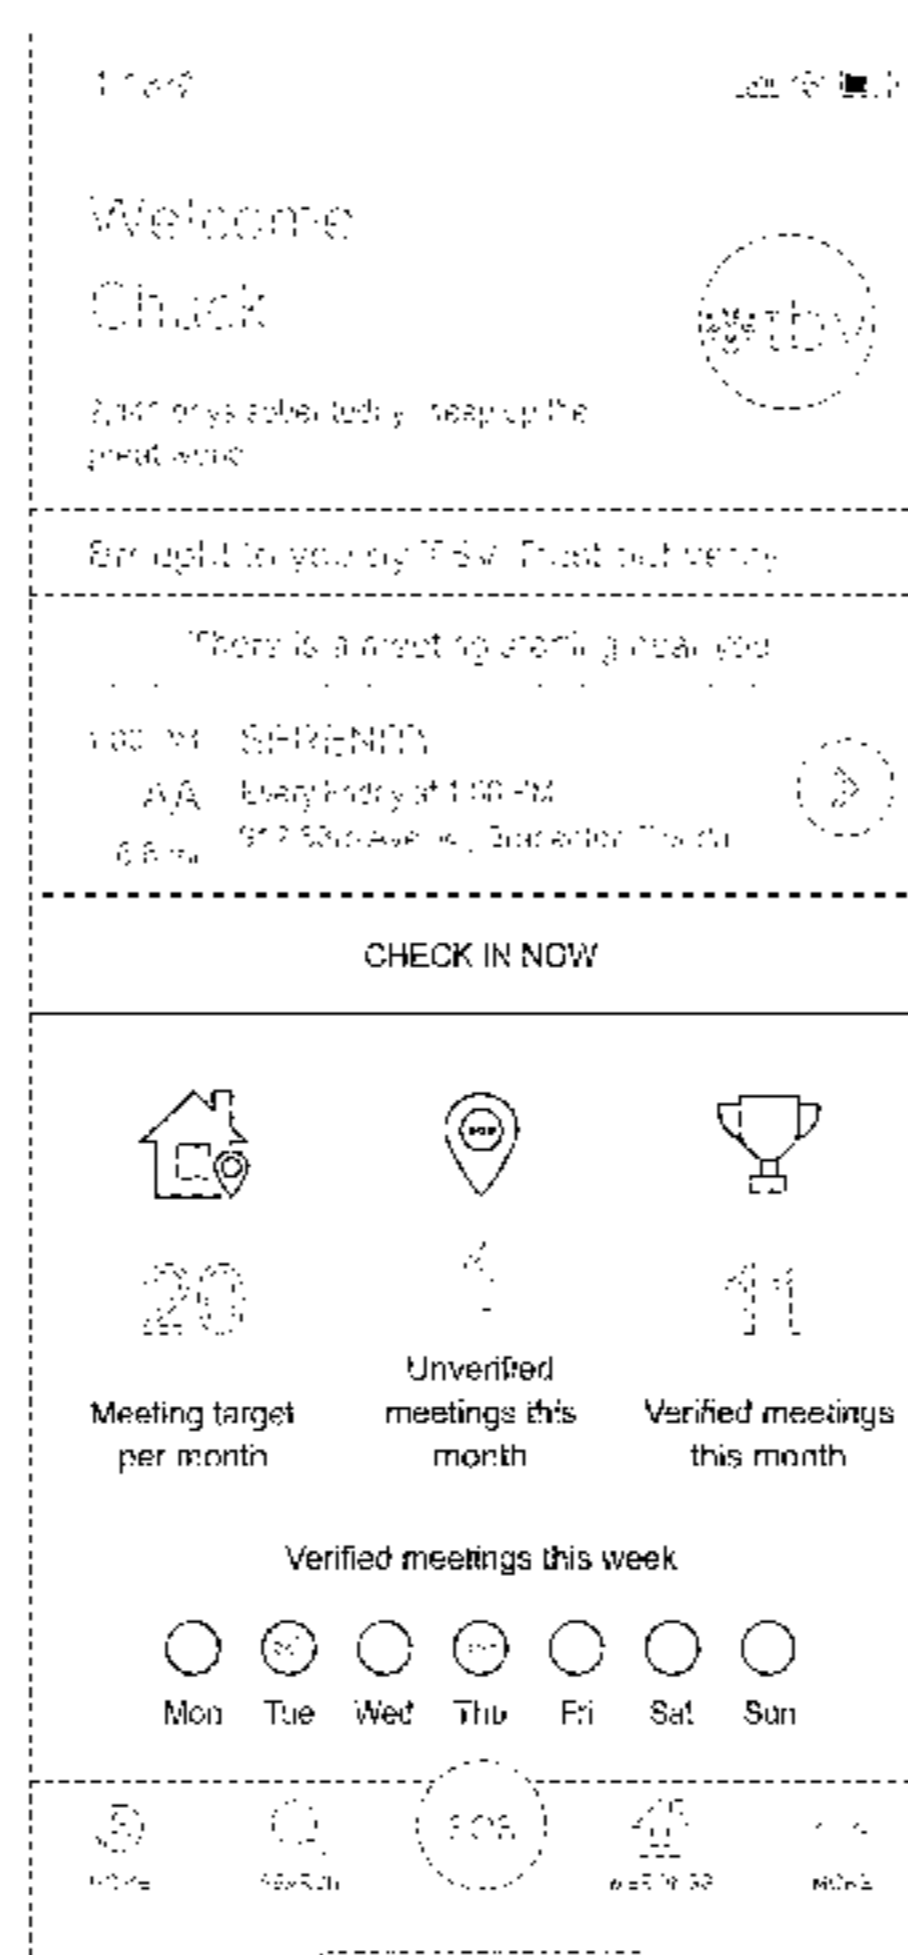

The ornamental design for a computer display screen with verified meetings graphical user interface, as shown and described.

DESCRIPTION

The sole FIGURE is a front view of a computer display screen with verified meetings graphical user interface, showing the new design.

The outermost broken lines illustrate a computer display screen and form no part of the claimed design. The remaining broken lines illustrate portions of the graphical user interface that form no part of the claimed design.

1 Claim, 1 Drawing Sheet
