The ornamental design for a display screen with icon, as shown and described.

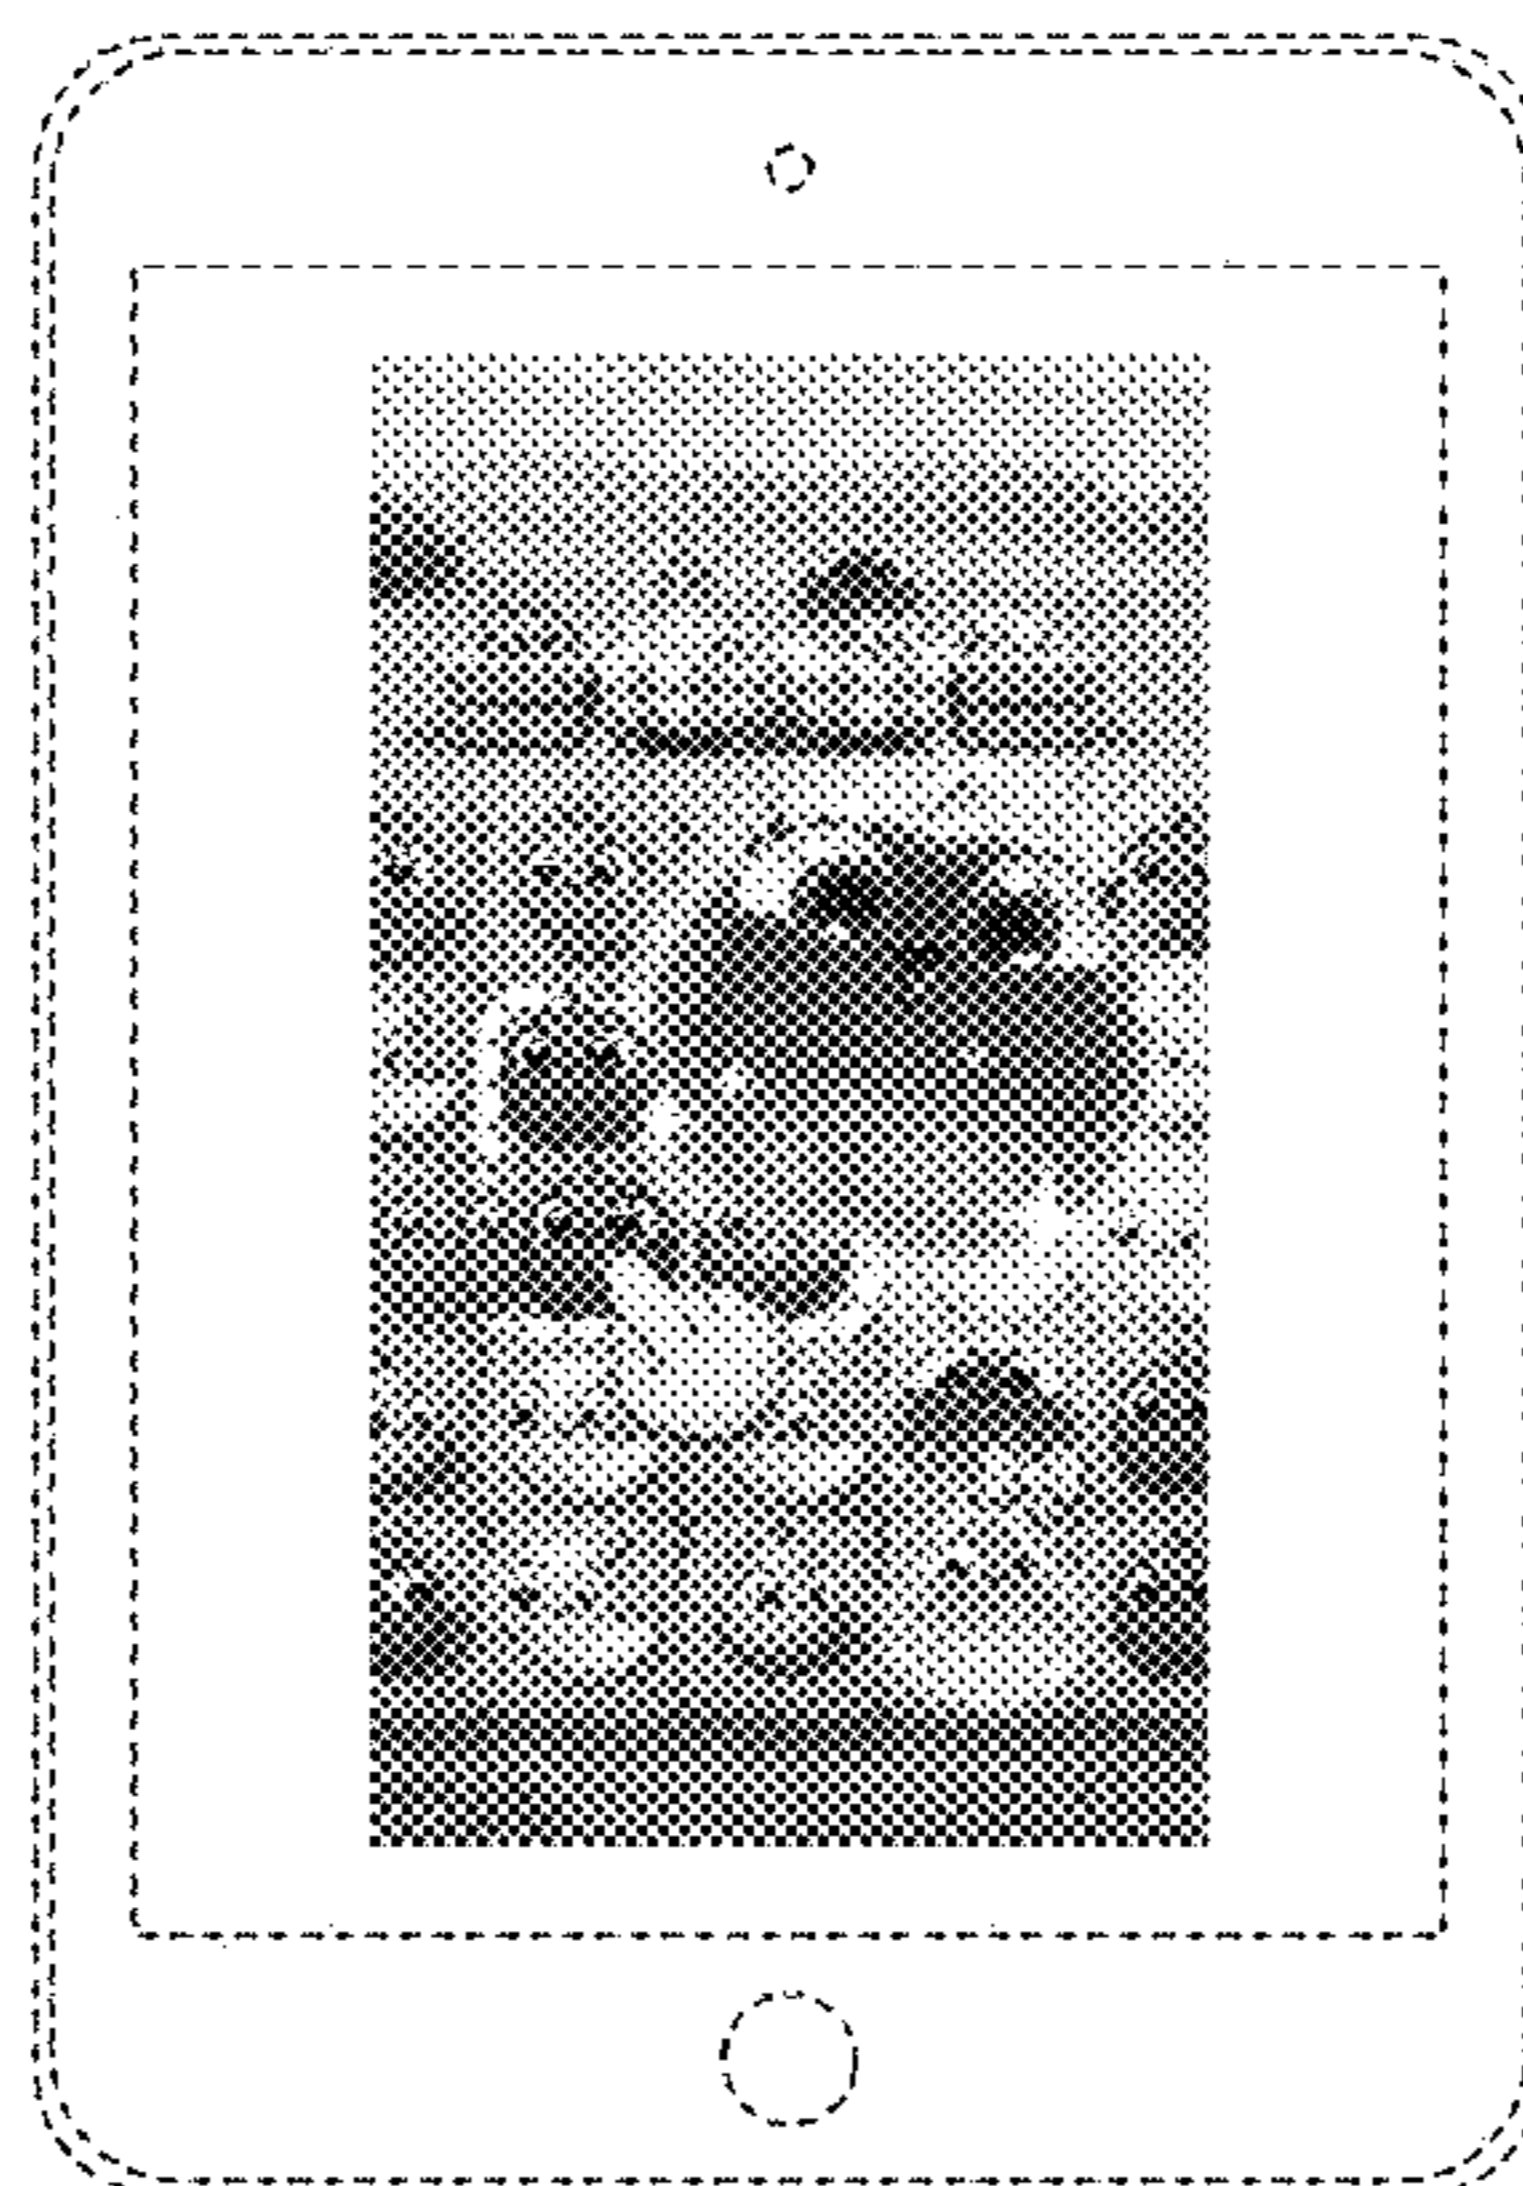

DESCRIPTION

The design patent application file contains at least one drawing executed in color. Copies of this design patent application publication with color drawing(s) will be provided by the Office upon request of payment of the necessary fee.

The FIGURE is a front view of a display screen with icon showing our new design.

The broken lines showing an electronic device illustrate environmental subject matter, whereas the broken lines showing a display screen illustrate portions of the article. None of the broken lines form part of the claimed design.
