(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The patent file contains at least one drawing executed in color. Copies of this patent with color drawings will be provided by the Office upon request and payment of the necessary fee.

The FIGURE is a front view of a display screen or portion thereof with graphical user interface, showing our new design.

The broken line perimeter in the FIGURE illustrates a display screen or portion thereof. The color portions in the FIGURE indicate the claimed design. The grayscale portions form no part of the claimed design.
