(57) **CLAIM**

The ornamental design for a display screen or portion
thereof with graphical user interface, as shown and
described.

DESCRIPTION

A portion of the disclosure of this patent document contains
material to which a claim for copyright is made. The
copyright owner has no objection to the facsimile reproduc-
tion by anyone of the patent document or the patent disclo-
sure, as it appears in the Patent and Trademark Office patent
file or records, but reserves all other copyright rights what-
soever.

The patent file contains at least one drawing executed in
color. Copies of the patent with a color drawing will be
provided by the Office upon request and payment of the
necessary fee.

The drawing is a front view of a display screen or portion
thereof with graphical user interface showing our new
design.

The broken line showing a display screen forms no part of
the claimed design.
