(57) **CLAIM**

The ornamental design for a display screen with animated graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a first image in a sequence for a display screen with animated graphical user interface showing our new design; FIG. 2 is the second image thereof; and, FIG. 3 is the third image thereof.

The appearance of the animated graphical user interface transitions between the images shown in FIGS. 1-3. The process or period in which one image transitions to another forms no part of the claimed design.

The broken line depicting the display screen, and all other broken lines illustrating the remainder of the graphical user interface, form no part of the claimed design.

1 Claim, 3 Drawing Sheets
