(57) **CLAIM**

The ornamental design for a display screen or portion thereof with graphical user interface, as shown and described.

DESCRIPTION

The FIGURE is an image for a display screen or portion thereof with graphical user interface showing my new design.

The uneven-length broken lines serve as a boundary of the claimed design and form no part thereof. The even-length broken lines, showing of the remainder of the display screen or portion thereof with graphical user interface, form no part of the claimed design.

1 Claim, 1 Drawing Sheet
