(57) **CLAIM**

The ornamental design for a downhole tool including a swage, as shown and described.

DESCRIPTION

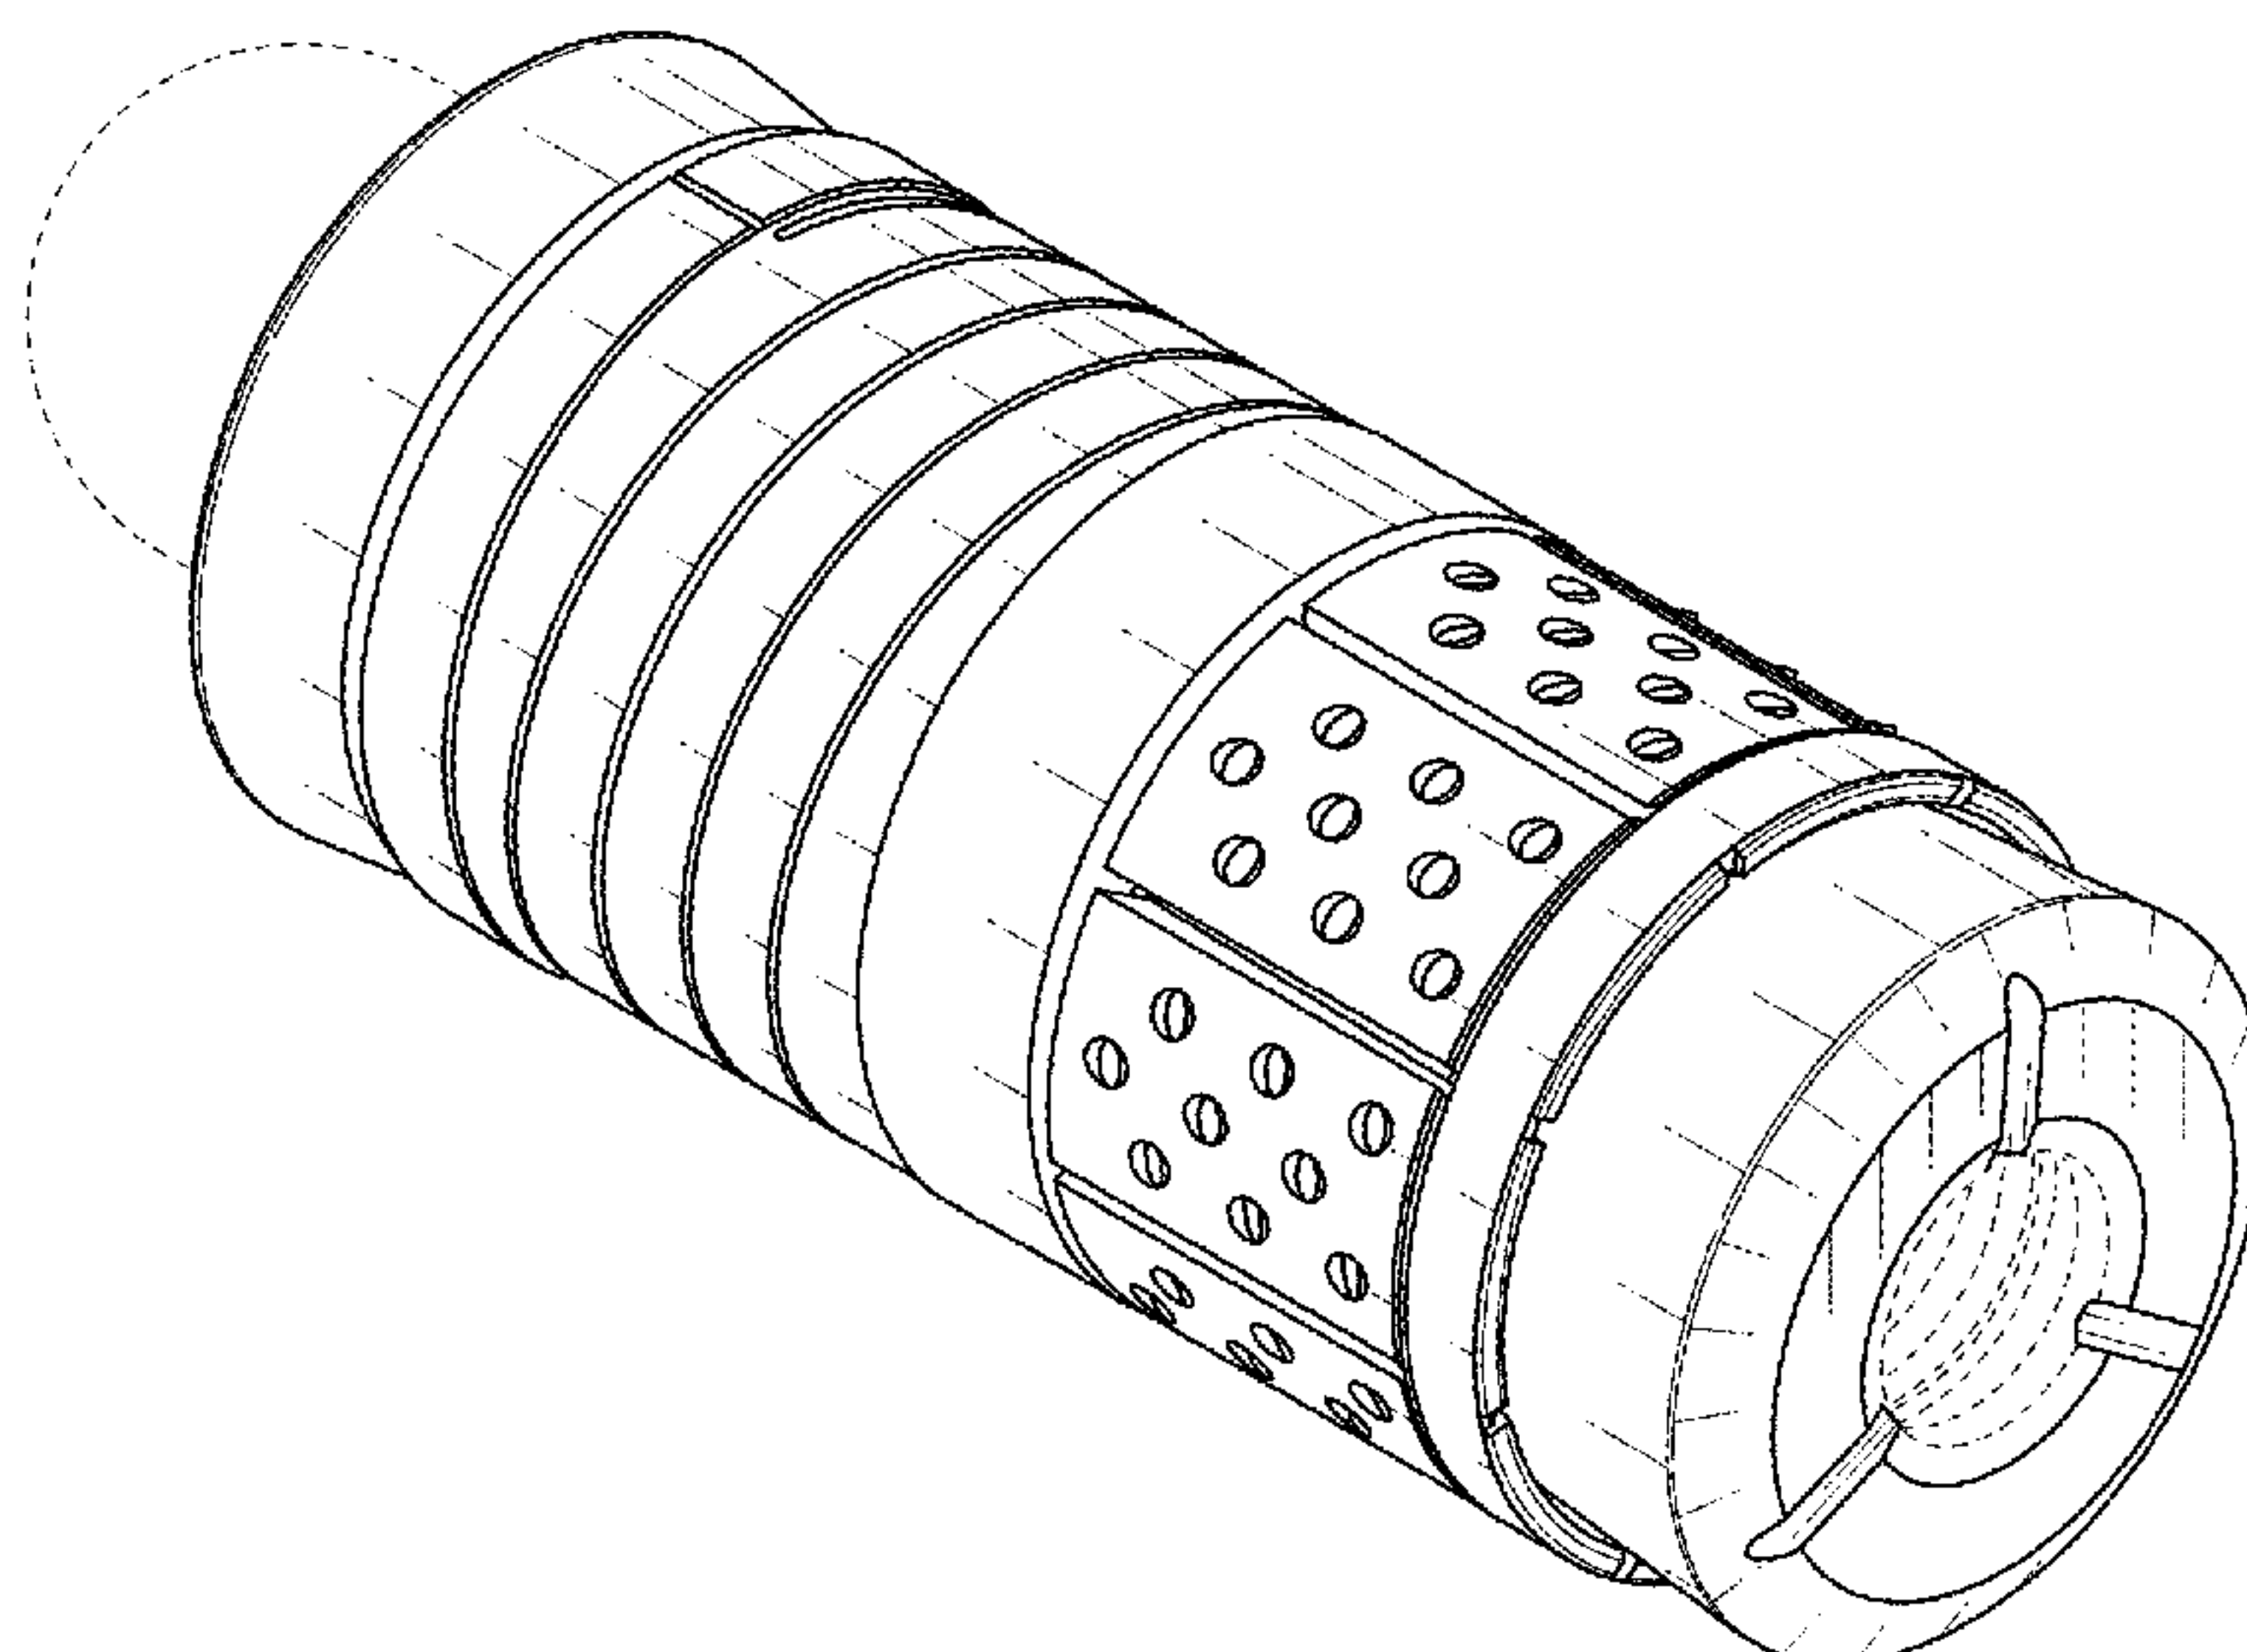

FIG. 1 is a perspective view of a downhole tool including a swage.

FIG. 2 is side view of the downhole tool including a swage. FIG. 3 is a first end view of the downhole tool including a swage; and,

FIG. 4 is a second end view of the downhole tool including a swage. The second end view is opposite to the first end view.

The broken lines showing part of a spherical feature in FIGS. 1 and 2, illustrate the environment of the claimed design and form no part thereof. The remaining broken lines in the drawings illustrate portions of the downhole tool including a swage and form no part of the claimed design.

1 Claim, 3 Drawing Sheets
