(57) **CLAIM**

The ornamental design for a display screen or portion thereof with a graphical user interface, as shown and described.

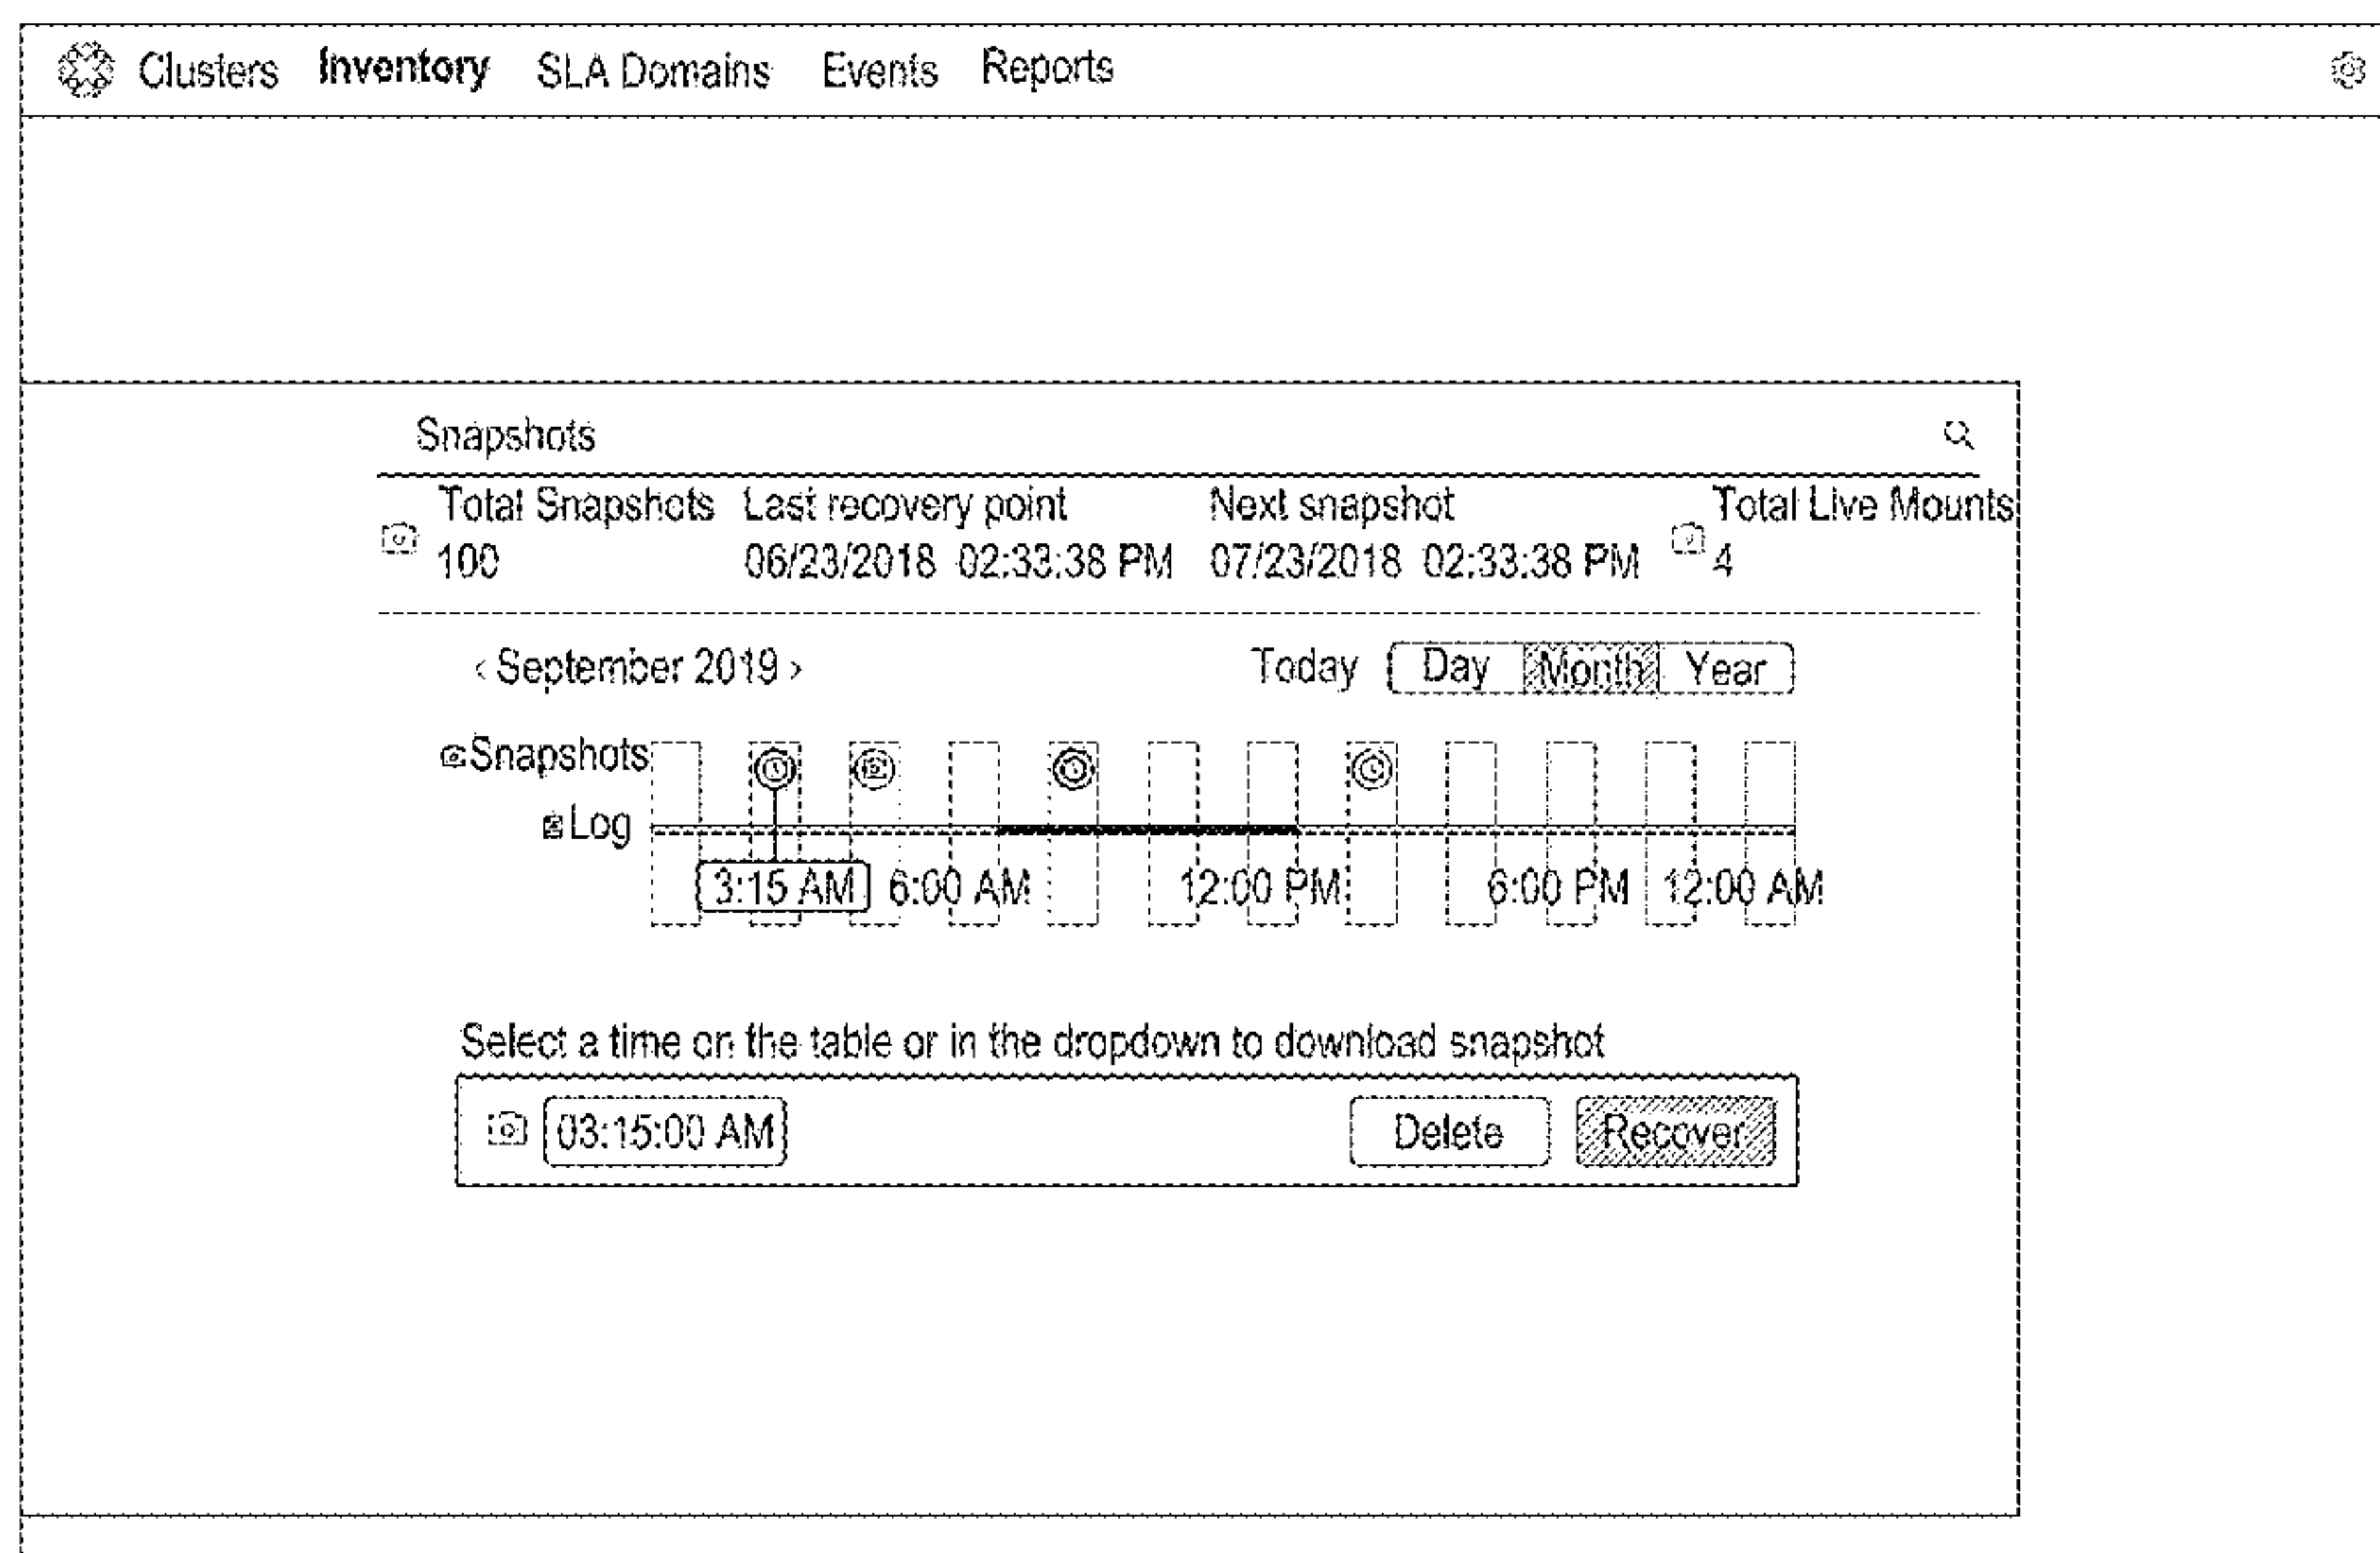

DESCRIPTION

FIG. 1 is a front view of a display screen or portion thereof with a graphical user interface, showing our new design and depicting a first embodiment of the graphical user interface. FIG. 2 is a front view depicting a second embodiment of the graphical user interface.

FIG. 3 is a front view depicting a third embodiment of the graphical user interface; and, FIG. 4 is a front view depicting a fourth embodiment of the graphical user interface.

The perimeters of the underlying display screen or portion thereof and the graphical user interface are understood to be flush.

1 Claim, 4 Drawing Sheets
