Assistant Examiner — Christopher M Spivey

(57) **CLAIM**

The ornamental design for a display screen with transitional graphical user interface, as shown and described.

DESCRIPTION

FIG. 1 is a front view of a display screen with transitional graphical user interface showing a first image in a sequence of our new design;

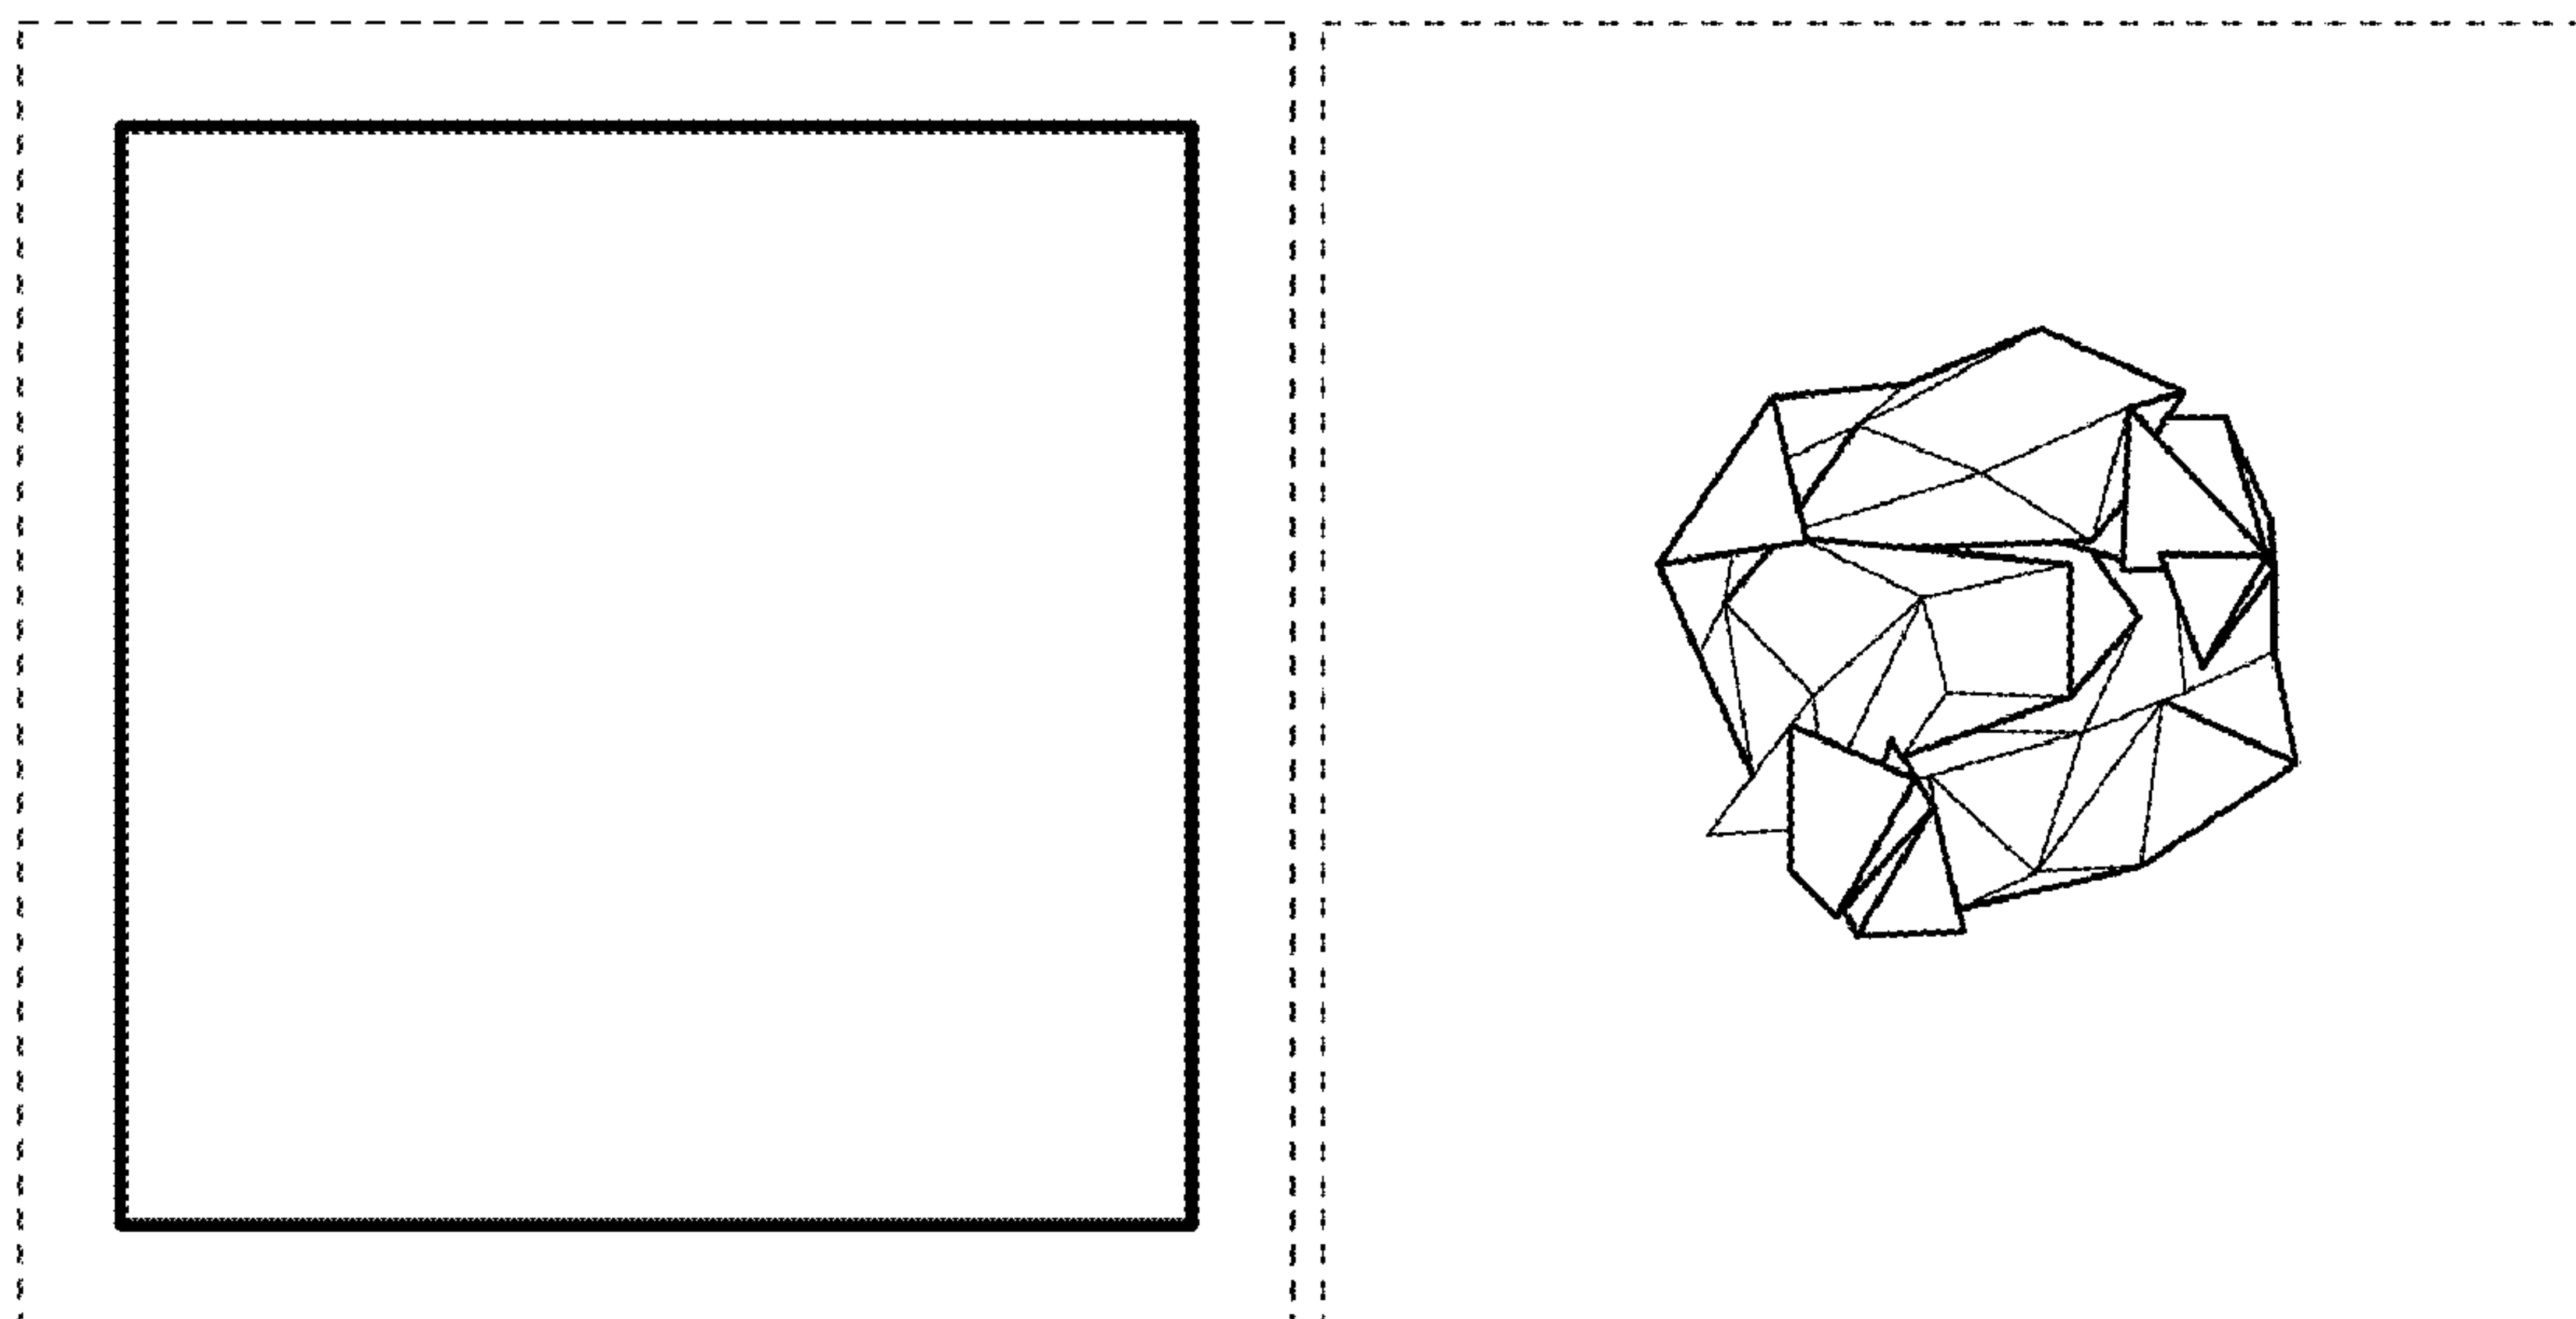

FIG. 2 is a second image thereof; and,

FIG. 3 is a third image thereof.

The appearance of the transitional image sequentially transitions between the images shown in FIGS. 1-3. The process or period in which one images transitions to another image forms no part of the claimed design.

The broken lines showing the display screen form no part of the claimed design.

1 Claim, 1 Drawing Sheet
