(57) **CLAIM**

The ornamental design for a powered door operator, as shown and described.

DESCRIPTION

FIG. 1 is an upper isometric view of the powered door operator;
FIG. 2 is a lower isometric view of the powered door operator;
FIG. 3 is a right side view of the powered door operator;
FIG. 4 is a left side view of the powered door operator;
FIG. 5 is a front end view of the powered door operator;
FIG. 6 is a rear end view of the powered door operator;
FIG. 7 is a top view of the powered door operator; and,
FIG. 8 is a bottom view of the powered door operator.
The broken lines in the drawings depict portions of the powered door operator that form no part of the claimed design.
