Primary Examiner — Ricky Pham

(57) **CLAIM**

The ornamental design for a fork with line-grooved prongs, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the fork with line-grooved prongs of the instant invention. It is to be understood that the broken lines are for illustrative purposes only and form no part of the claimed design.

FIG. 2 is a bottom view of the instant invention. It is to be understood that the broken lines are for illustrative purposes only and form no part of the claimed design.

FIG. 3 is top view of the instant invention. It is to be understood that the broken lines are for illustrative purposes only and form no part of the claimed design.

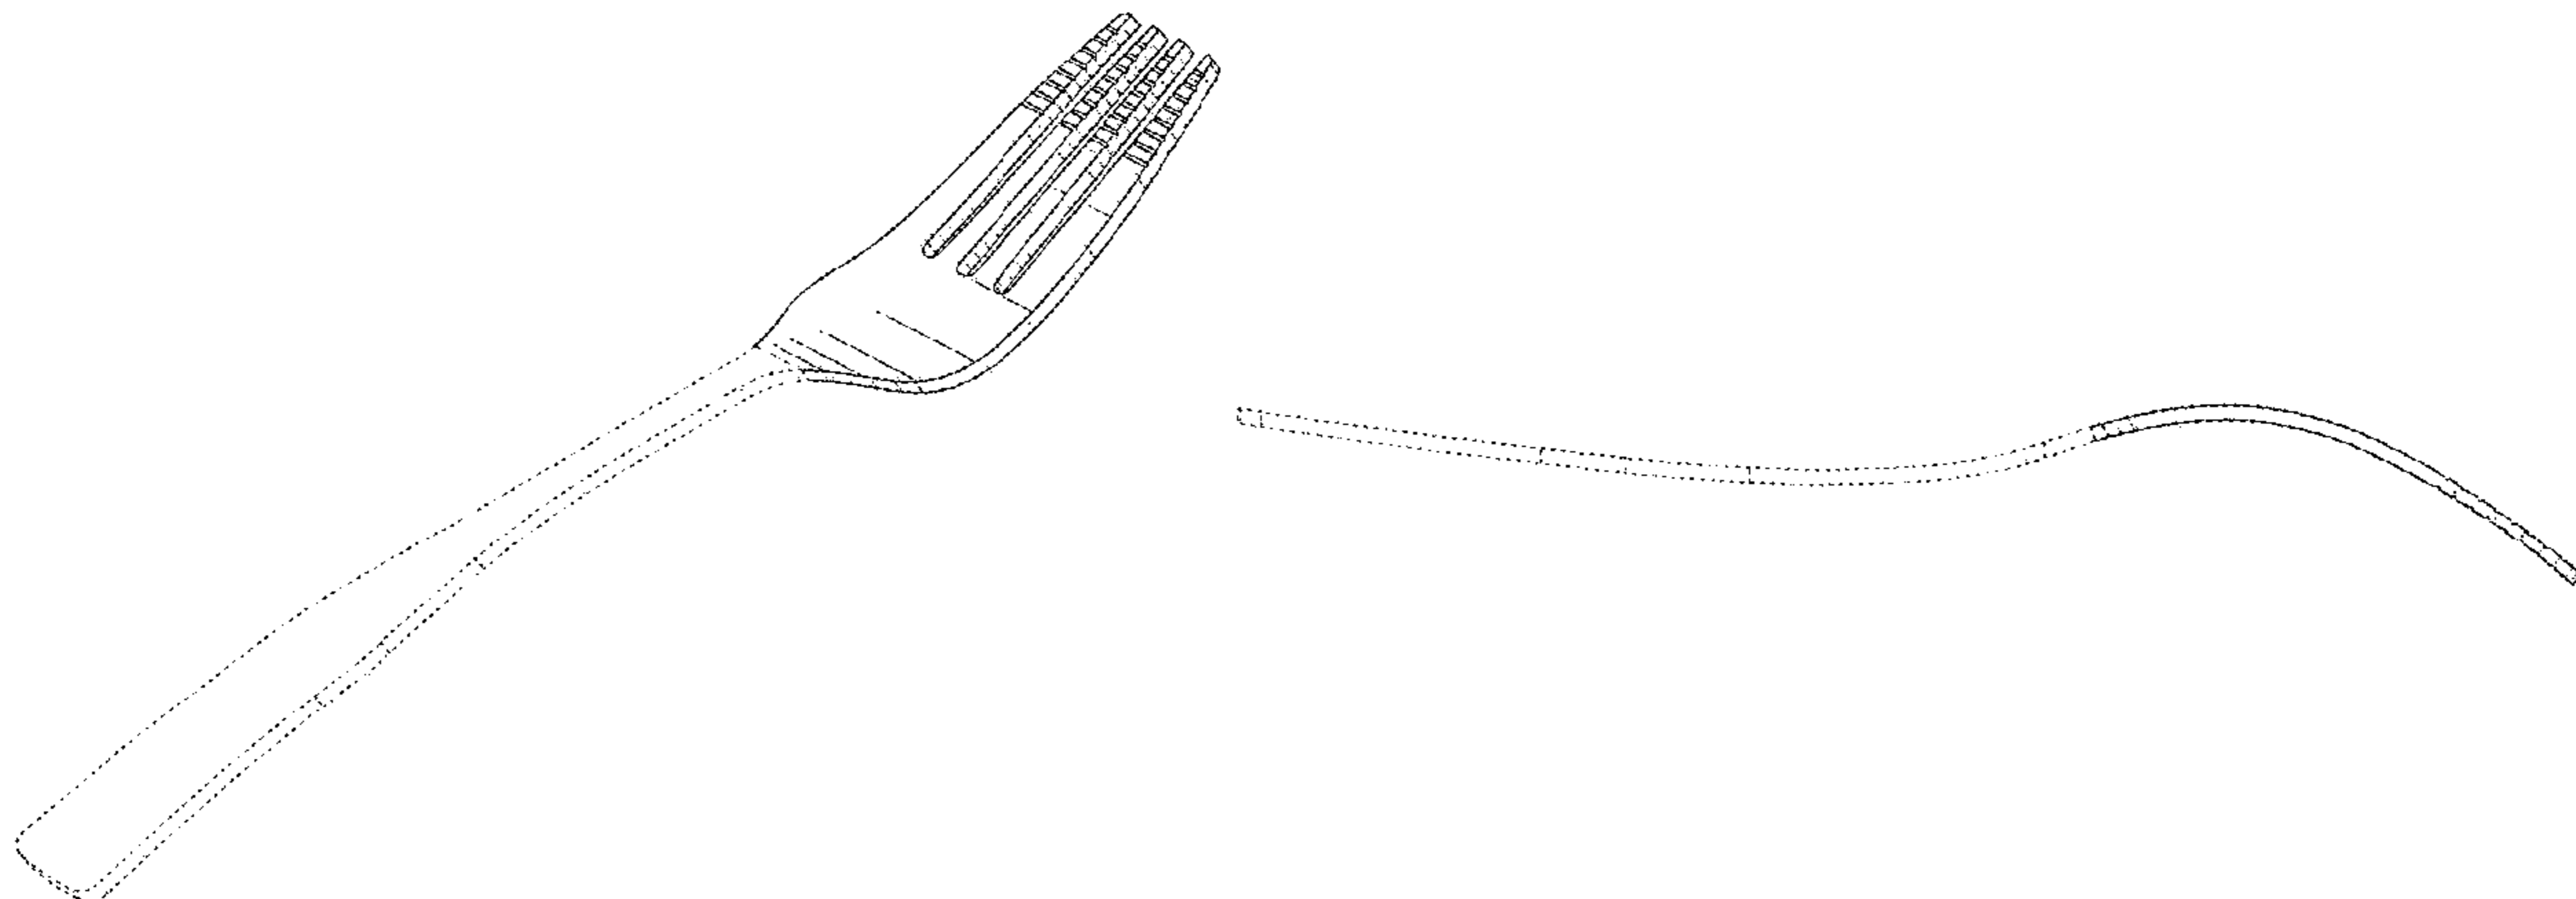

FIG. 4 is back view of the instant invention. It is to be understood that the broken lines are for illustrative purposes only and form no part of the claimed design.

FIG. 5 is front view of the instant invention. It is to be understood that the broken lines are for illustrative purposes only and form no part of the claimed design.

FIG. 6 is an isometric view. It is to be understood that the broken lines are for illustrative purposes only and form no part of the claimed design; and,

FIG. 7 is an isometric view. It is to be understood that the broken lines are for illustrative purposes only and form no part of the claimed design.

1 Claim, 3 Drawing Sheets
