(57) **CLAIM**

The ornamental design for an aircraft fuselage, substantially as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of our new design for an aircraft fuselage;

FIG. 2 is a side view in elevation of the aircraft fuselage as shown in FIG. 1;

FIG. 3 is a top plan view of the aircraft fuselage as shown in FIG. 1;

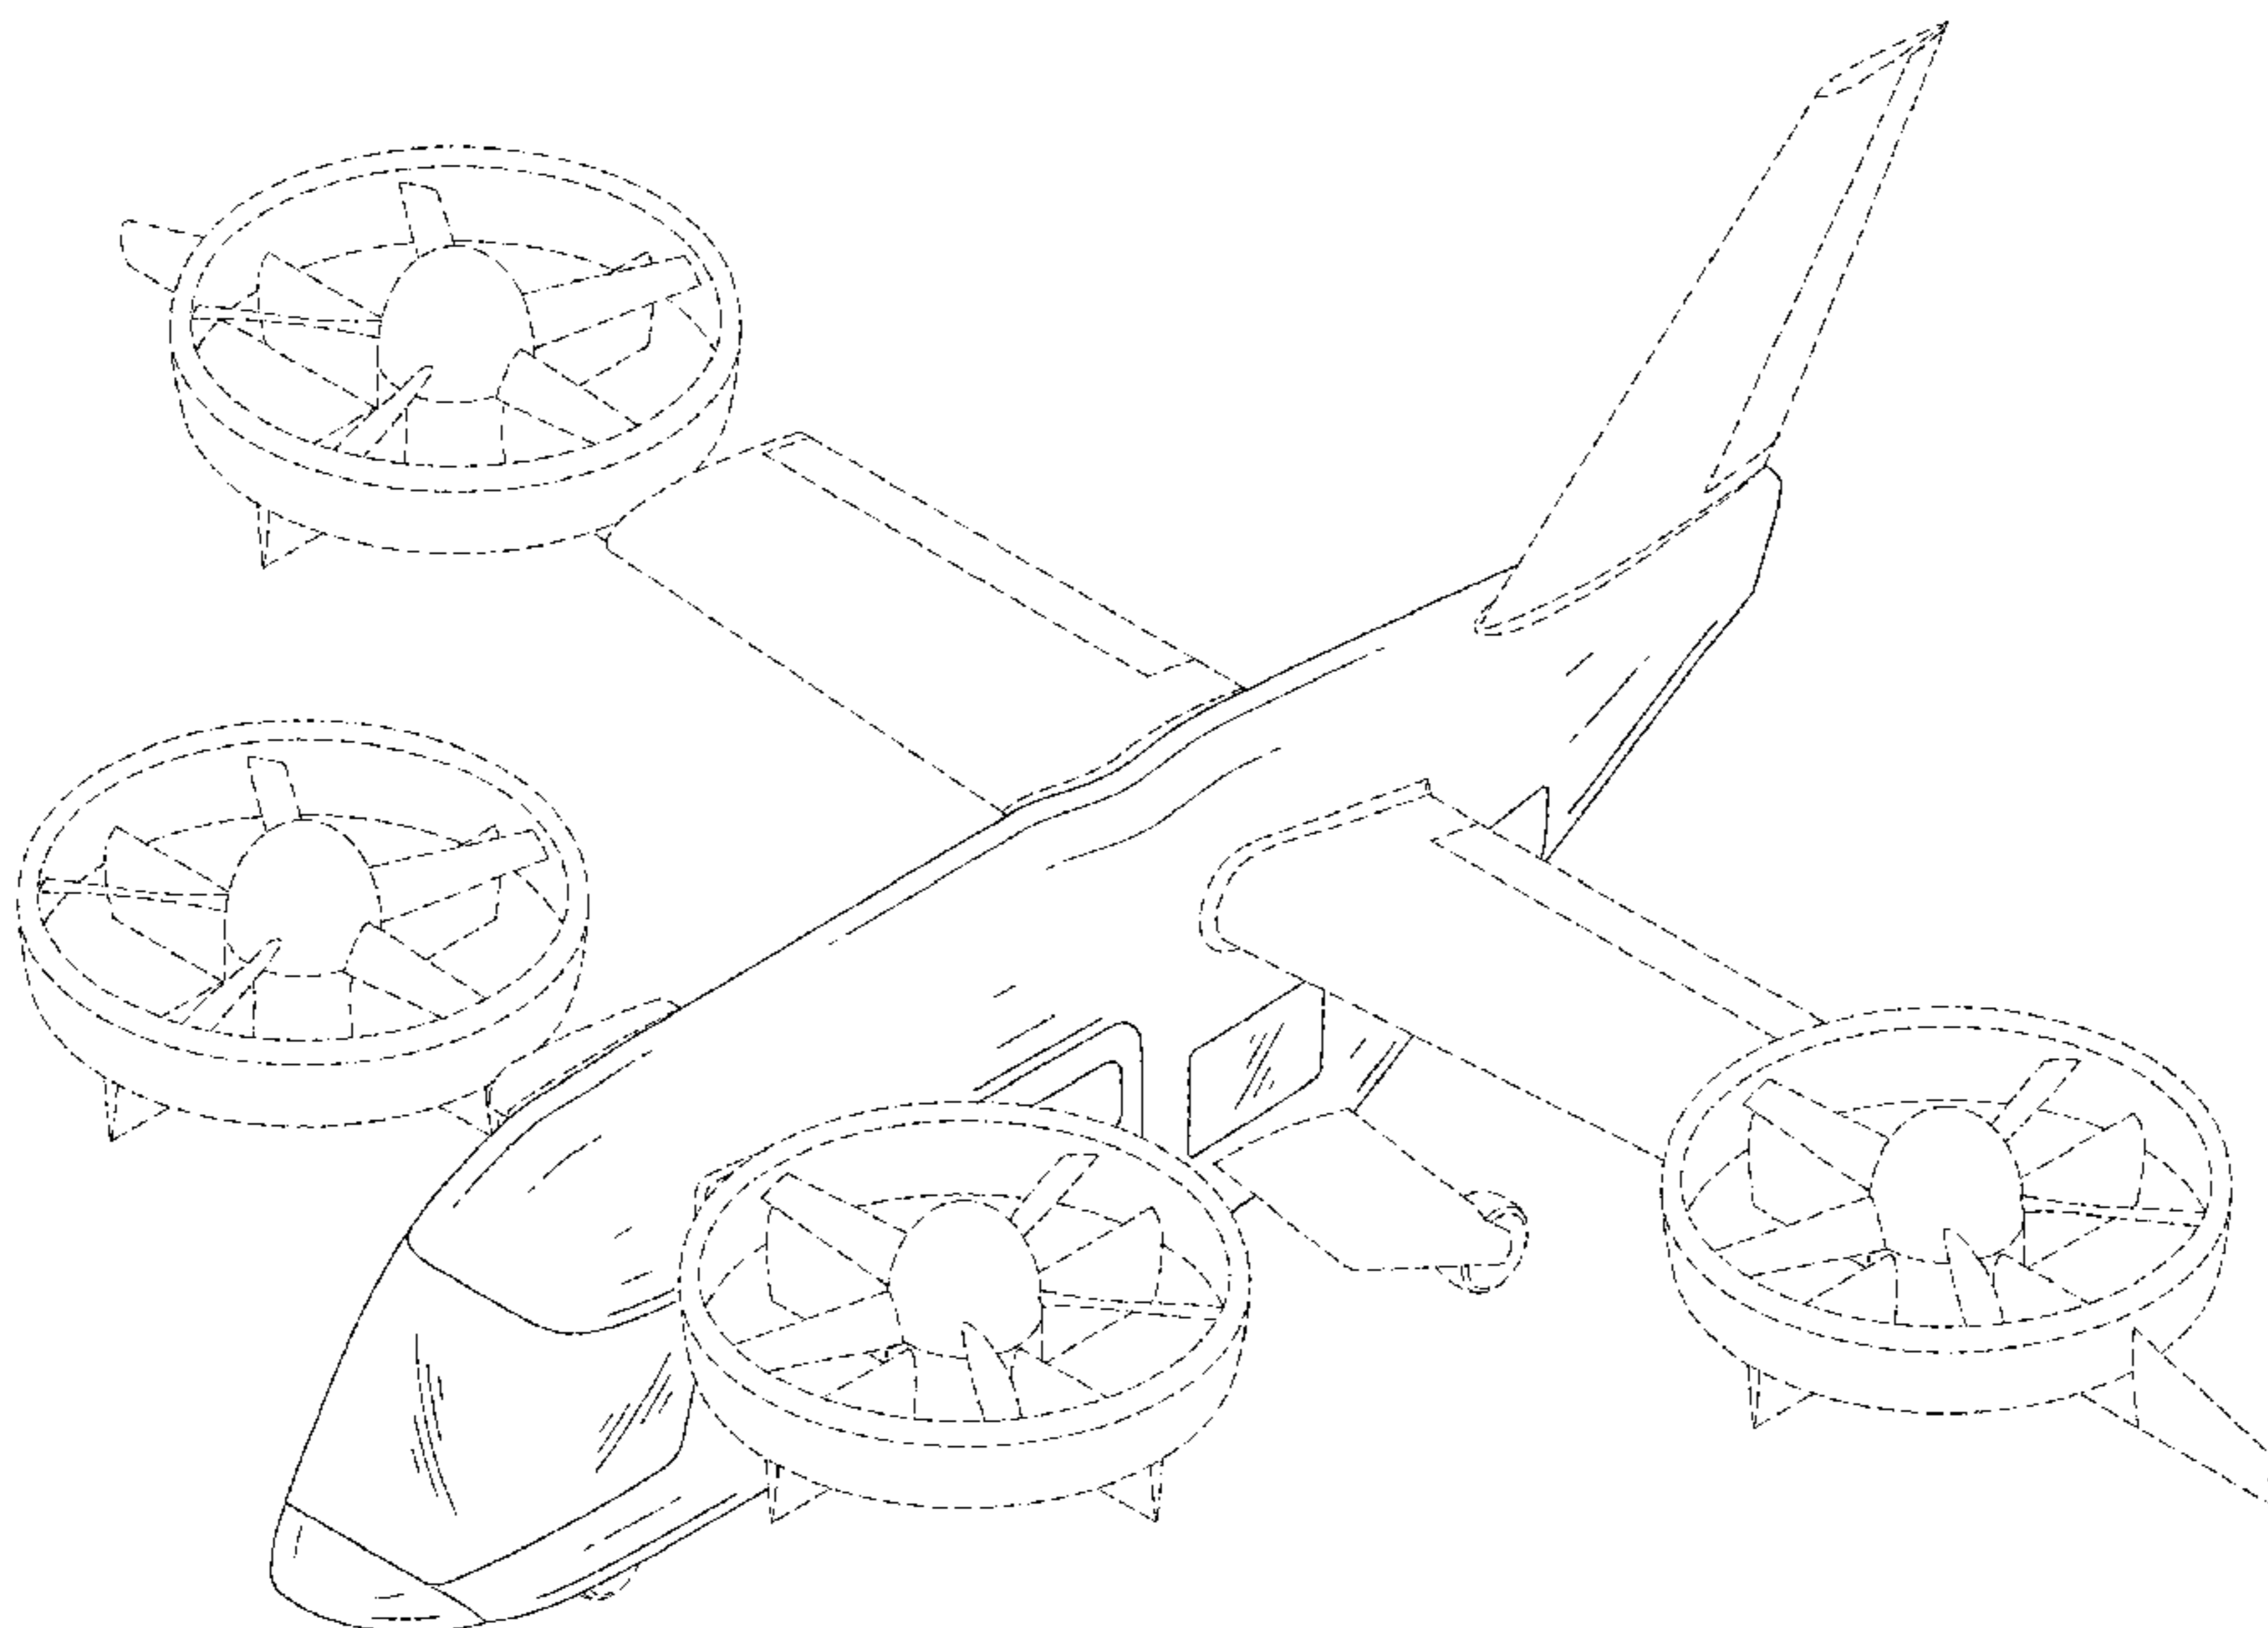

FIG. 4 is a front elevational view of the aircraft fuselage as shown in FIG. 1;

FIG. 5 is a bottom plan view of the aircraft fuselage as shown in FIG. 1; and,

FIG. 6 is a rear elevational view of the aircraft fuselage as shown in FIG. 1.

The broken lines in the drawings are for the purpose of illustrating environmental structure and form no part of the claimed design.

1 Claim, 6 Drawing Sheets
