(57) **CLAIM**

The ornamental design for a display screen with graphical user interface, as shown and described.

**DESCRIPTION**

The patent or application file contains a least one drawing executed in color. Copies of this patent or patent application publication with color drawing(s) will be provided by the Office upon request and payment of the necessary fee. The sole FIGURE shows a display screen of a mobile phone with a graphical user interface showing the claimed design. The outer broken lines show a mobile phone for the environmental structure and form no part of the claimed design. The other broken lines in the FIGURE show a display screen or portion thereof and portions of the graphical graphical user interface that form no part of the claimed design.
