LLP

(57) **CLAIM**

The ornamental design for a connector for a building panel,
as shown and described.

DESCRIPTION

FIG. 1 is an upper first end perspective view of the connector
for a building panel;

FIG. 2 is a lower second end perspective view thereof;

FIG. 3 is a first end view thereof;

FIG. 4 is a second end view thereof;

FIG. 5 is a top view thereof;

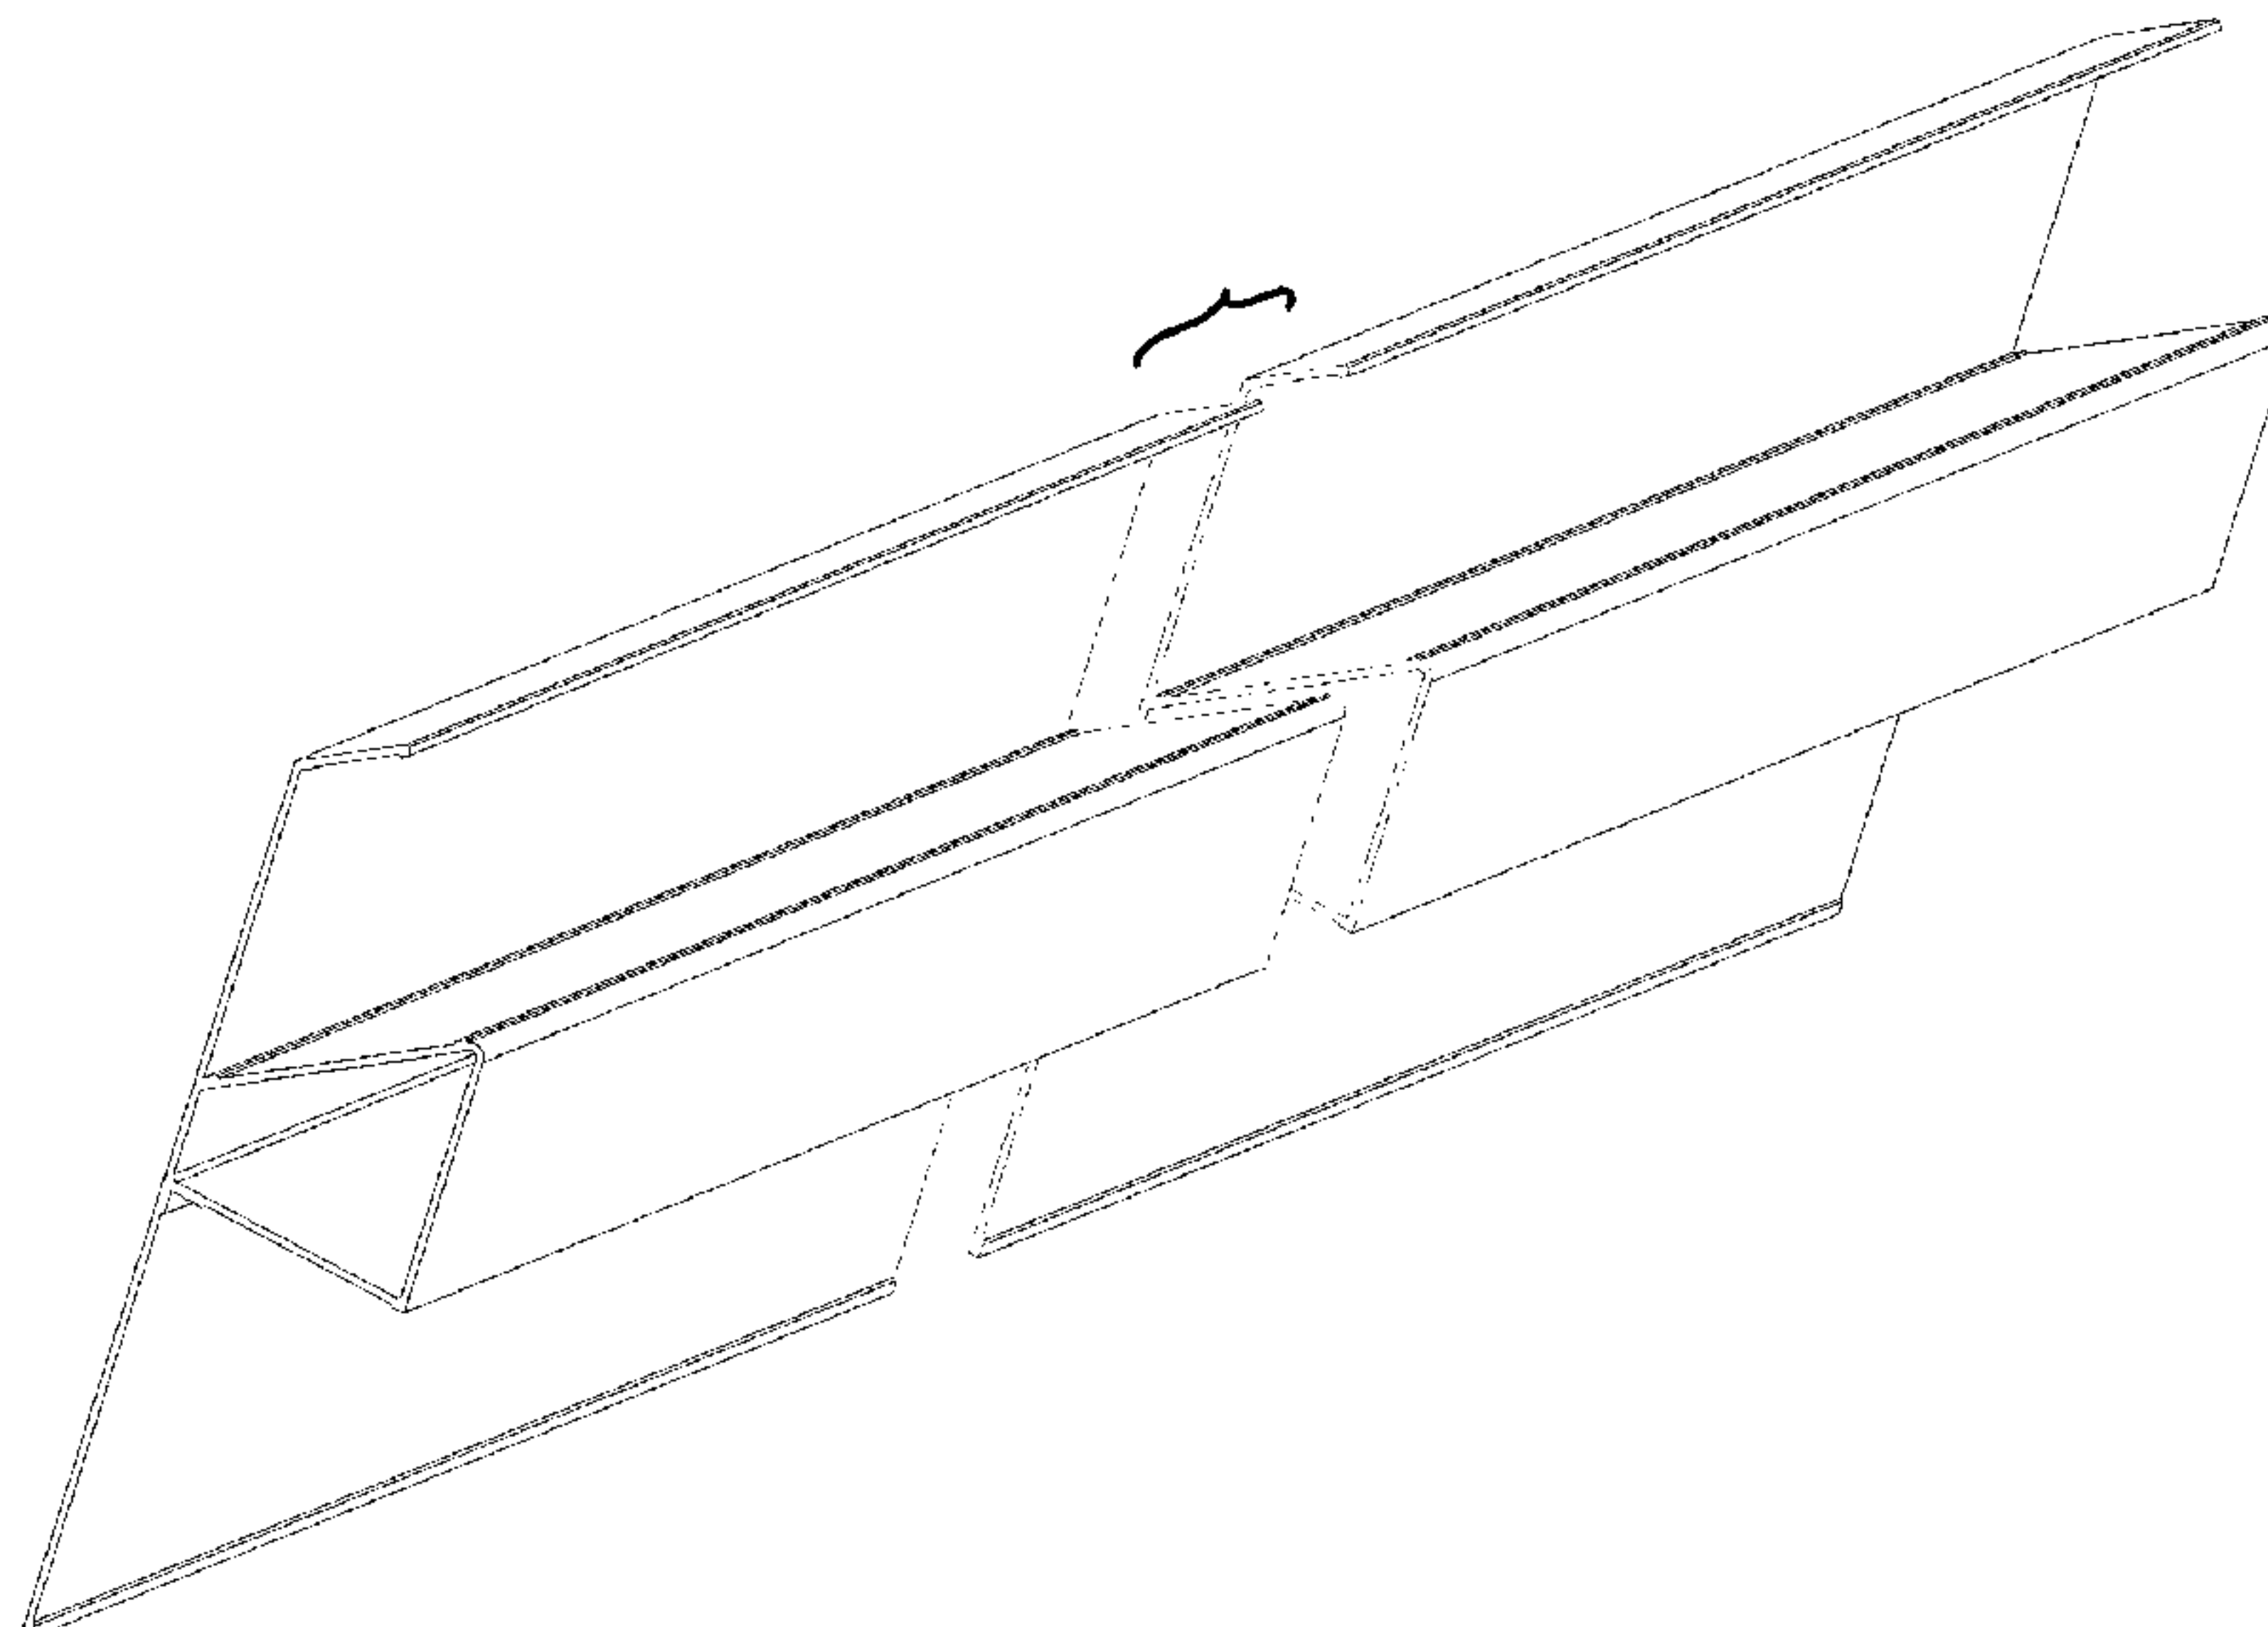

FIG. 6 is a bottom view thereof;

FIG. 7 is a first side view thereof; and,

FIG. 8 is a second side view thereof.

The connector for a building panel is shown with a symbolic
break in its length. The appearance of any portion of the
connector for a building panel between the break lines forms
no part of the claimed design.

1 Claim, 6 Drawing Sheets
