DESCRIPTION

FIG. 1 is a perspective view of our new design for a dosage container, shown in an open configuration;
FIG. 2 is a right elevation view thereof, shown in an open configuration;
FIG. 3 is a left side elevation view thereof, shown in an open configuration;
FIG. 4 is a front elevation view thereof, shown in an open configuration;
FIG. 5 is a rear side elevation view thereof, shown in an open configuration;
FIG. 6 is a top plan view thereof, shown in an open configuration; and,
FIG. 7 is a bottom plan view thereof, shown in an open configuration.
The broken lines in the drawings showing the dosage container illustrate the portions of the dosage container that form no part of the claimed design.
