Broken lines are environmental only and form no part of the claimed design. The tablet computer of FIG. 22 and the laptop computer of FIG. 23 form no part of the claimed design. The portions of the Stylus shown in a pattern of stipple illustrate areas of contrasting appearance.

The pairs of closely adjacent, spaced wavy lines in the drawings form no part of the claimed design, and the portions between such pairs of wavy lines are broken away to disclose indeterminate length. By way of example, in embodiment three and in FIG. 23 the pairs of dashed wavy lines indicate that the portion of the Stylus between the dashed wavy lines may vary between about 2-10 cm in length, or more or less.
