(57) **CLAIM**

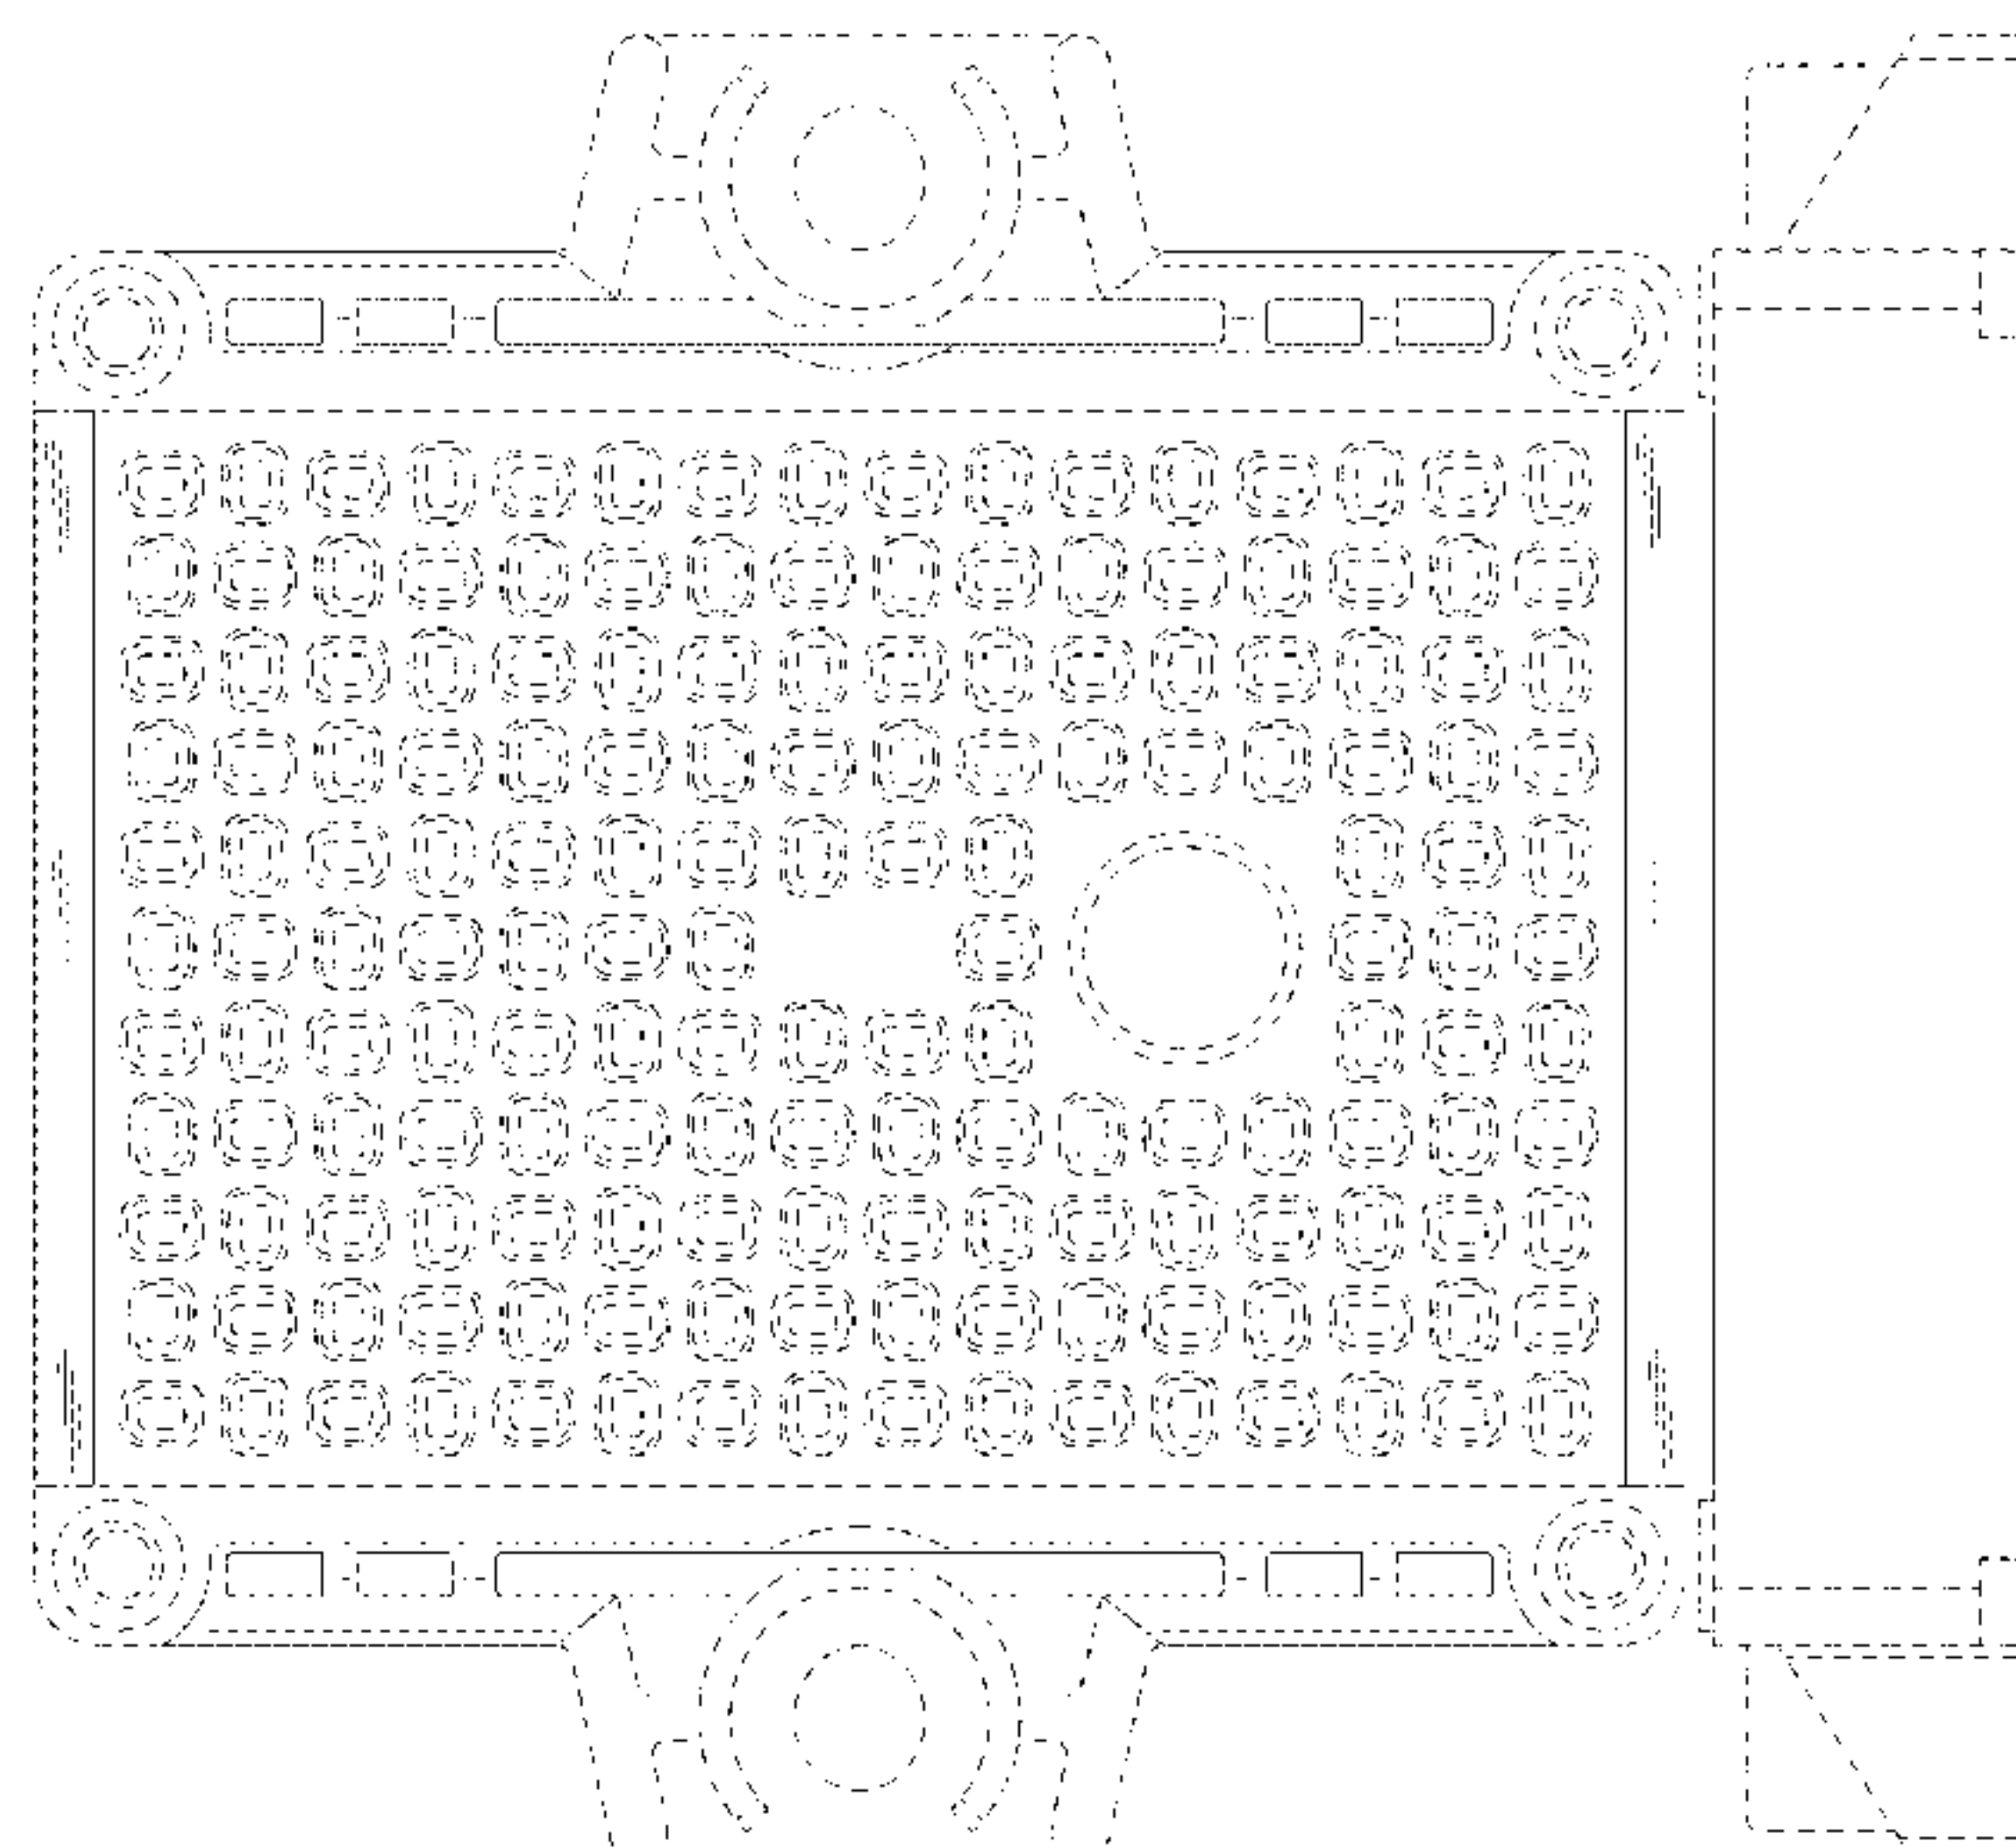

What is claimed is an ornamental design for a press-fit pin case, as shown and described herein.

DESCRIPTION

FIG. 1 is a top perspective view of a press-fit pin case showing our new design;
FIG. 2 is a top plan view of the press-fit pin case;
FIG. 3 is a bottom plan view of the press-fit pin case;
FIG. 4 is a first side elevation view of the press-fit pin case;
FIG. 5 is a second side elevation view of the press-fit pin case;
FIG. 6 is a first end elevation view of the press-fit pin case; and,
FIG. 7 is a second end elevation view of the press-fit pin case.

Any broken lines in the drawings are for purposes of depicting portions and form no part of the claimed design. All evenly spaced broken lines are directed to the environment. The dot-dash lines depict the bounds of the claimed design, and form no part of the claimed design. In addition, the unshaded surfaces that directly adjoin the claimed solid line edge form no part of the claimed design.

1 Claim, 7 Drawing Sheets
