(57) **CLAIM**

The ornamental design for a communications booth, as shown and described.

DESCRIPTION

FIG. 1 is a top, right perspective view of the communications booth with the front doors removed to better illustrate interior portions;
FIG. 2 is a top, left perspective view of the communications booth with the front doors removed;
FIG. 3 is a front view of the communications booth with the front doors removed;
FIG. 4 is a right side view of the communications booth;
FIG. 5 is a left side view of the communications booth; and,
FIG. 6 is a top view of the communications booth.
The broken lines depict portions of the communications booth that form no part of the claimed design.

1 Claim, 5 Drawing Sheets
