(57) **CLAIM**

The ornamental design for a cable manager, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a cable manager according to the claimed design.

FIG. 2 is a front view of the cable manager, with a rear view of the same being a mirror image thereof.

FIG. 3 is a top view of the cable manager, with a bottom view of the same being a mirror image thereof.

FIG. 4 is a right side view of the cable manager, with a left side view of the same being a mirror image thereof.

FIG. 5 is a cross-sectional view of the cable manager along line 5-5 of FIG. 2.

FIG. 6 is a cross-sectional view of the cable manager along line 6-6 of FIG. 2; and,

FIG. 7 is a front perspective view of the cable manager in a use environment.

The broken lines in FIGS. 1-2 and 5 illustrate portions of the cable manager that form no part of the claimed design.

The broken lines in FIG. 7 showing the display device, mount, and cables illustrate environmental subject matter that forms no part of the claimed design.

The broken lines in FIG. 2 representing the designation of the cross-sectional portions form no part of the claimed design.
