(57) **CLAIM**

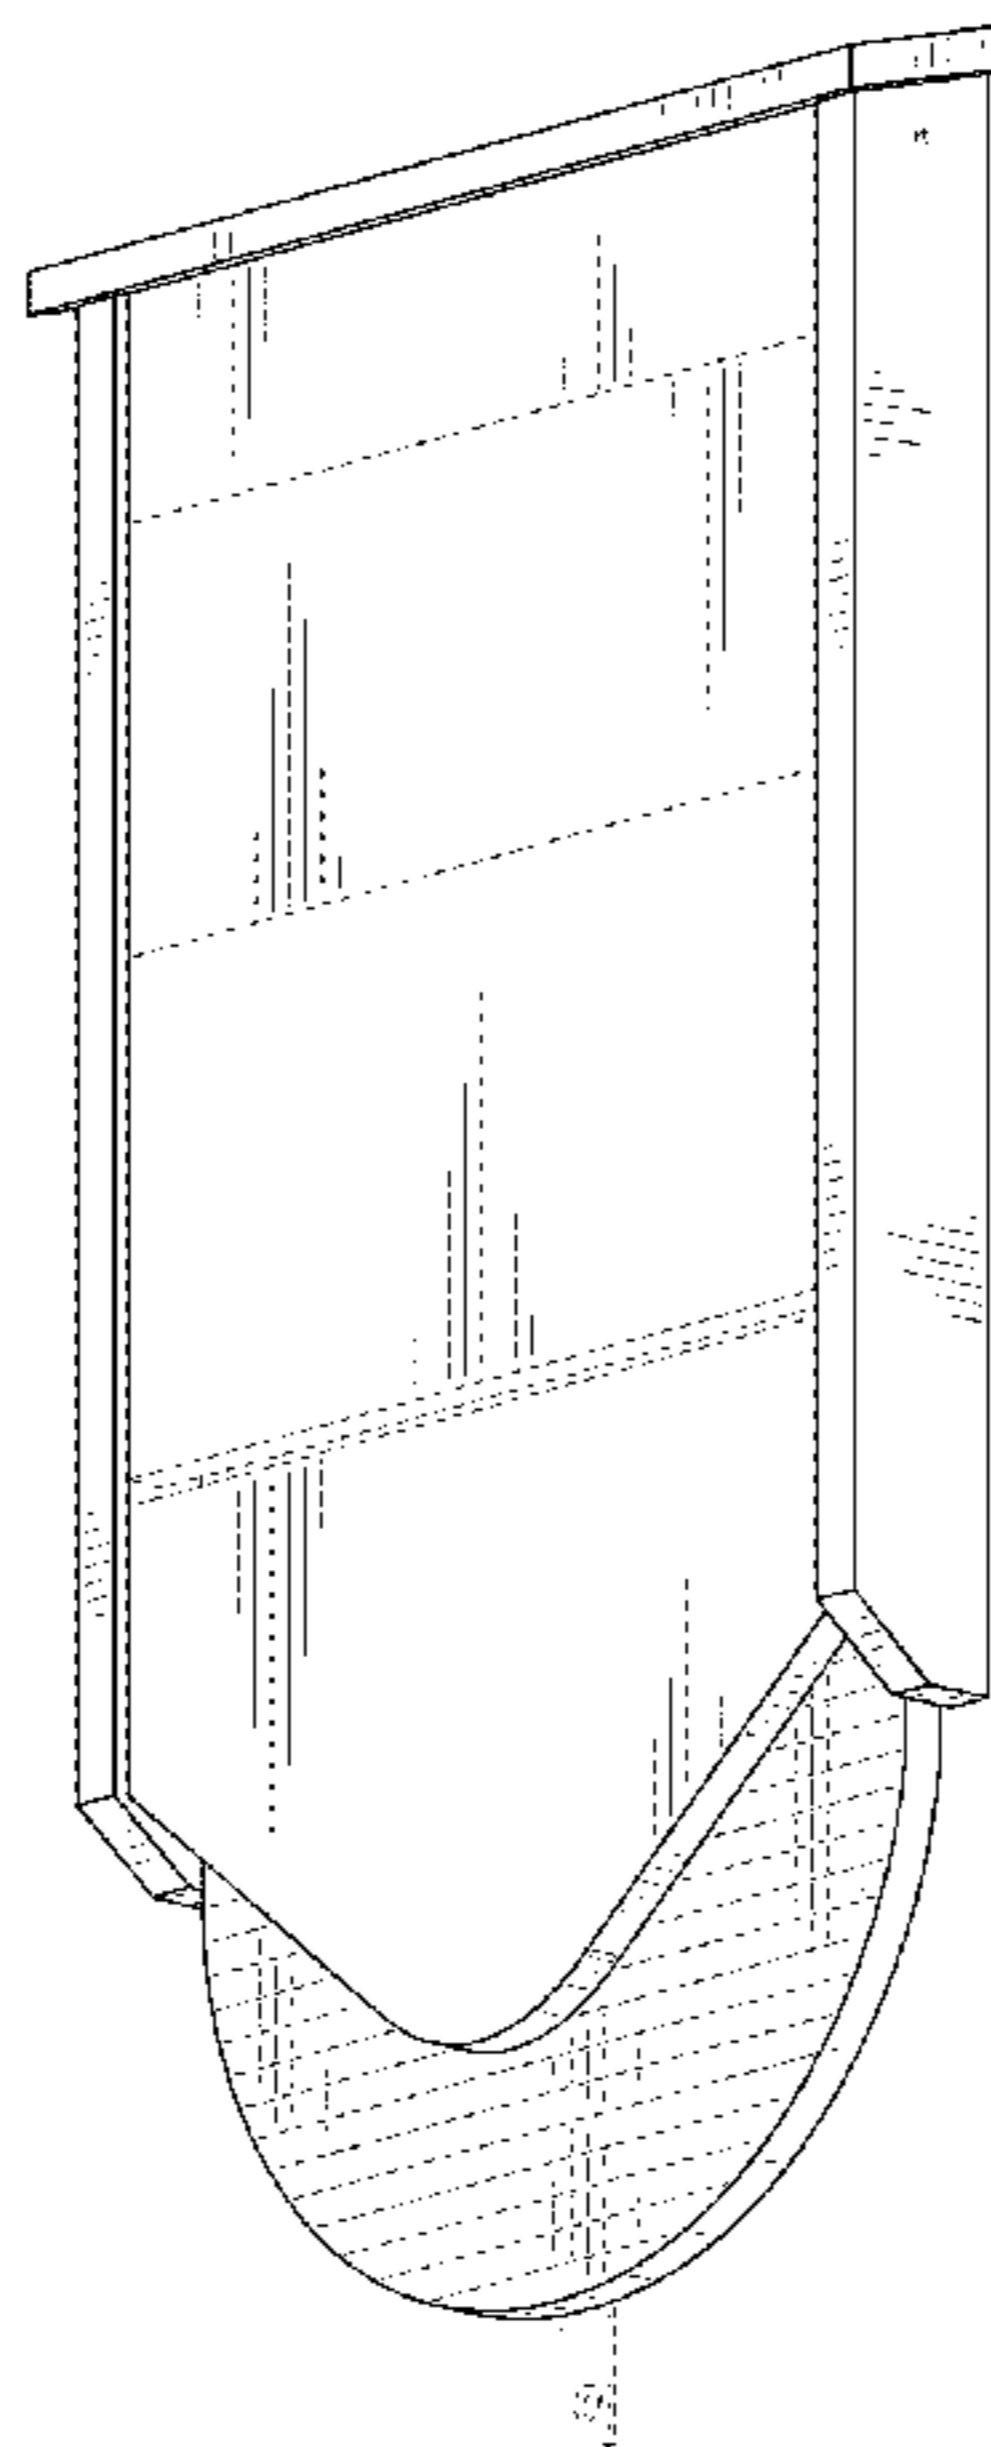

The ornamental design for an animal habitat, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of an animal habitat showing our new design; FIG. 2 is a front elevation view thereof; FIG. 3 is a left side elevation view thereof; FIG. 4 is a right side elevation view thereof; FIG. 5 is a top plan view thereof; and, FIG. 6 is a bottom plan view thereof.

In the drawings, the dashed broken lines depict portions of the animal habitat that form no part of the claimed design. The lateral dashed broken lines depicted on a front surface of a rear panel of the animal habitat represent grooves that form no part of the claimed design, with the surfaces located between the dashed broken lines forming part of the claimed design. The dashed-dotted broken lines shown in FIG. 6 are included for the purpose of illustrating a boundary line between the claimed design and portions of the animal habitat that form no part of the claimed design, with the dashed-dotted broken lines and the portions of the animal habitat located interior thereto forming no part of the claimed design.

1 Claim, 4 Drawing Sheets
